KENTUCKY-TENNESSEE DISTRICT KEY CLUB

DIVISION 10/11

The Keynote

Hello Everyone!

This is Grayson Thurman, Lt. Governor for KY-TN District, Division 10/11. Summer is here! Just because the school year is over doesn't mean the work is over! Key Club duties and other opportunities have certainly kept everyone busy!

This issue of the Division 10/11 newsletter, The Keynote, celebrates many activities that have occurred since our last issue. The events include the spring board meeting to local club officer installation and fundraisers.

I know many of us are busy this summer. I was selected to attend Kentucky Boy's State (a leadership camp). It was a great experience. In a few days, I'm leaving for a week in Nashville for my third year of attendance at Belmont University's vocal camp. Finally, I, along with quite a few of you, will be heading to Chicago for a little sightseeing and plenty of work and training opportunities at ICON, the Key Club International Convention.

After the convention, I plan to focus on growing my own club at Franklin County High School and I'll be sharing ideas about how we can all grow our clubs and increase membership in Key Club. Growth is important as we work on service projects and impact our schools and our communities!

It is an honor to serve as your Lieutenant Governor for Division 10 /11 of the Kentucky-Tennessee District of Key Club International. I am excited about the 2018-2019 year.

I always welcome your thoughts and suggestions. Feel free to email me or call me anytime!

Grayson Thurman

High, Henry Clay High, Larry A. Ryle High, Mercer Co. High, Paris High, Scott High, Scott Co. High, Tates Creek High, Western Hills High, Williamstown High, and Woodford Co. High. About KY-TN Governor Emily Howard...

I attend Henry Clay High School in Lexington, Kentucky. I also work at Justice, a retail store for young girls where I help them find what they need to be confident in themselves and rock it down their runway, which is everywhere.

In my free time, I'm usually looking at memes, listening to new music, or watching my favorite YouTube channels. I am obsessed with pugs (who isn't?) and doing my makeup when there is no where to go.

If you would like more info about me, feel free to contact me through email at emily@ktkey.org or cell at (502) 939-7730. I am excited to be your District Governor and work with all of you throughout the year.

CLUB NEWS

Franklin County High School held a pancake breakfast on June 2 at the Frankfort Applebee's. Club members, faculty sponsor Brenda Graves, and three Kiwanis members, all worked for several hours greeting people, serving plates of pancakes and bacon, and cleaning up tables. It was a successful first time event for FCHS and they plan on holding others in the future. Stay tuned here for dates for fundraising events and dates from throughout the division!
