Our DCM took place on June 10th at the South Central Regional Library in Louisville, KY. We had three schools who participated in the activities. In total we collected 57 coloring books and 55 packs of crayons for the local Ronald McDonald House. Thank you to everyone who spent their time making cards for the kids!

I can fully say that the KT District had an amazing time in Chicago for International Convention! From touring and learning about Chicago to pin trading, every moment was a blast. While there we got to elect our 2018-2019 International Board. I am so glad that I got to be apart of this wonderful opportunity! If anyone is even thinking about going next year, I highly recommend it. There is no way you can go wrong by expanding your Key Club relations! Throughout the year the board will be promoting ICON 2019 in Baltimore, Maryland. See some photos below!
