

July Newsletter!

Hey guys!!

I hope your summer has been amazing! I just wanted to update you guys on everything that will be happening soon. This weekend I will be attending our summer board meeting. I'll be learning how to train the new officers of your clubs! Once I get back I will be getting in contact of all of you to set a meeting to train! I'm beyond excited for this year to begin and I can't wait to meet most of you guys!!

Back to school!

As most of you guys know, school starts back very soon. Trust me, I don't want the water park days and tanning time to stop either. We all have to go back at one point to get it over with. This year, I want each and every one of you to make it one to remember. Join a new team or club and be included with your school. I know what it's like to not be apart of something and then regret it later on. Even if you think it might be a long shot, do it! High school is a very short 4 years so make them count!
