# WELCOME TO MOE'S

### ICON REVIEW

CHICAGO. ILLINOIS

Recently, the Kentucky-Tennessee (KT) District traveled to Chicago, Illinois in order to attend Key Club International Convention. There, we participated in tours of the beautiful city, pin trading, the cupid shuffle, spirit contests, meeting new friends from all over, and educational workshops!! One such workshop was about the Sandy Nininger Award, which is awarded to high school students who make the most of their given opportunities. The award is available for anyone to apply and I will publish more information when it becomes available.

## Fall Rally

Mark your calendars for October 20, 2018 for the KT District Fall Rally at Dollywood. After meeting up to go over some information, we will get to spend the rest of the day riding roller coasters, meeting new friends, and having a good time. I hope to see you there!
