# IT'S HERE

## THE KT OFFICE PROMO VIDEO

The video will focus on KT governor Emily Howard's decision to leave one member of the KT board out of going to Dollywood. There will also be individual board members describing past experiences with Dollywood, Key Club, and Fall Rally!

## ANNOUNCEMENT

Prepare to see your KT Board in a way you've never seen them before. Coming soon, the Kt Board has created a fun, Office themed video to promote the Fall Rally in Dollywood. Watch as Emily Howard, Ryan Griffin, Tiffany Minh, Seleana Kile, and many more discuss the Fall Rally in a comedic fashion.

# IMPORTANT EVENTS

## ICON RECAP

ICON was an absolute blast. Our district was well represented, and won many awards. Our district also participated in the international election process as well as toured the city of Chicago. The new international president is Emily Rice and the vice president is Hannah Nivar. Our trustee is Grace Ison.

## FALL RALLY

The Fall Rally is a fun bonding event for our district. Members of the KT district are invited to spend the day at Dollywood October 20th. If you have not been to Dollywood, it is an amazing amusement park with a Southern theme. We look forward to having you there.

## D-CON

Last years D-Con was held in Lexington Kentucky with keynote speaker Judson Laipply. We learned how to dance, and about the struggle bus. This years D-Con will be in Franklin, Tennessee, and there will be lots of fun in the speaker, the workshops, and the group dynamic.

# YOUR KT BOARD

To see a more fun insight on every Lieutenant governor and board member, I highly recommend viewing our “Know your board” Newsletter (also- I definitely have the coolest picture on the newsletter). .

## What is the board?

Just in case you are confused about the functions of the board, here is a quick, fun background. The Board is composed of 14 Lieutenant governors, who work to ensure the clubs and members of their district get the help they need.

Then there is the executive board, composed of our governor Michael Scott... I mean Emily Howard. Emily works to ensure cohesion between the board, the divisions, and the district as a whole. Besides Emily, there is also Tiffany (Secretary), Christy (Treasurer), Keilah (historian), and me, Jonah Bostrom, Bulletin Editor.

### KEY CLUB LEVELS

District  
(KT district)

Club  
(mine is Maryville High School)

Our Lieutenant governors truly care about your and your school’s key club experience, so don’t feel hesitant to reach out to them if you have questions. Everyone is really friendly.

# A LITTLE MOTIVATION

If you have read any of the other newsletters on the KT Key cite, then you have seen the push for getting motivated and getting those summer hours in.

It is so easy to get distracted by Club, District, and International levels of Key Club (not to say there is not immense value in these).

Key Club starts with you, the individual member. Change happens with the individual members in their communities. The work you do in your community Now, impacts the person you are for your entire life.

**"It always seems  
impossible until its  
done"**

At the beginning of this KT Key, I used  
this Nelson Mandela quote.

But Why?

There will always be those  
who tell us that IT cannot be done, or  
that we cannot do IT. Maybe they are  
right, but you will not know unless you  
try.
