Dues Payments:

Key Club International and our District dues are \$7 each and should be paid by October 1st of every year. To be an active club, dues must be paid by December 1st. If your club hasn't paid dues by December 1st, they become Delinquent. If clubs don't pay dues by February 1st, they become suspended. If the club still hasn't paid by next September 30th, the club will become inactive. Clubs do have a considerable amount of time to pay it but they're only \$14 so go ahead and get that out of the way. If they're paid by November 1st, your club will be presented an early-bird award at DCON!

Youth Opportunities Fund:

YOF is trusted within Key Club international and maintained by Kiwanis International Children's Fund. This fund is applicable to any club that wishes for a grant within the budget of \$100-\$2,000 for service opportunities. Grants aren't applicable to division and district projects, they must go toward the club. The application must be submitted by October 15th; results of grant applicants would be revealed in January. The club's 2018-2019 dues must be paid before the YOF application is issued. So if your club has a BIG project planned, consider applying. Visit Key Club International's website for more information: <https://www.keyclub.org/resources/yof-information/>

Kiwanis Family Conference:

November 2nd-4th at Black Mountain, NC is a great event to participate in. It'll be a weekend of building relationships between the Kiwanis family. Over 200 members of the entire Kiwanis family attends. You'll gather for leadership, bonding, and family spirit. Don't miss out on this chance to meet international people ranging in various departments of the Kiwanis Family!

Trick-or-Treat for UNICEF:

Trick-or-Treat for UNICEF helps fund the Eliminate Project. Instead of asking for candy this Halloween, ask for spare change or donations. All of the money will help the fight against Maternal and Neonatal tetanus that affects an infant's high sensitivity to light, sound, and touch. The Kiwanis family is making a great impact each year by raising thousands of dollars to meet our promise of \$3million to UNICEF. Make a global impact by ordering the boxes and getting the community to become part the change!
