

DIVISION 8 NEWSLETTER

SEPTEMBER 2018

Key Club

Hello Key Club members! I hope everyone is enjoying the school year so far, and by now you might have even had your first key club meeting. If not, be sure to look forward to it in the near future. Once October begins, club dues can be turned in all the way until the first of December. Also, if your club turns in their dues before November 1st, your club is eligible for the Early Bird Dues Award!

As a reminder, the division officer training meeting is this Saturday at the Boyd County High School library in the afternoon from 1 to 3. Bring any small toiletries (this includes travel sized deodorant, soap, toothpaste, etc.) as we will also be doing a community service project. Also, food will be provided and it will be a great opportunity to meet with the other officers of your division and learn more about your position in key club.

Next month is going to be exciting for several reasons. Throughout the entire month of October, key club will be hosting Trick or Treat for UNICEF. Also, October 15th is the deadline to submit any Youth Opportunities Fund applications. If you apply, you or your club has the chance of receiving \$100 to \$2000! By far the most exciting event in October is our annual Fall Rally at Dollywood. Fall Rally will be held on the 20th and the cost is \$50 per person. After the morning session at 11:00 am, everyone will be allowed to have fun in the park for the rest of the day!

Other events later in the year to look forward to include the Kiwanis Family Conference held from November 2nd to the 4th at Black Mountain, NC. Key Club week will also take place from November 5th to the 9th and will serve as a great opportunity to represent not only your club, but Key Club as a whole.

As I said earlier, the officer training meeting is this Saturday (the 15th) and will be from 1:00 to 3:00. I hope to see many officers there and have a fun time as we start off this year of Key Club with clear goals and a bright future.

Ryan Griffith
Lieutenant Governor for Division 8
