# FALL RALLY REMARKS

I was so excited for this year's Fall Rally turn out. It was an absolute honor to meet you guys and speak in front of all of you.

Even with the cold, rainy weather you guys were enthusiastic and very welcoming. I hope that you guys also had an amazing time meeting your 2018-2019 District Board and riding all the roller coasters.

For first timers I hope you continue to join KT at Fall Rally and for our seniors I hope that your last was your best.

It was my last one, but I am glad that I ended it with a blast. Thank you so much for watching our not very well coordinated Baby Shark routine :)) I hope that you guys found it funny.

Last but not least thank you for making my last experience so memorable. Seeing everyone was an enthralling experience.

I am so proud to be a part of the Kentucky-Tennessee Key Club District serving every single member. I hope to see you at future district events too. Thank you so much and much love!!

# DISTRICT CONVENTION 2019

I am excited to finally announce the 2019 District Convention theme: Surfing into Service!! This year our convention will be held at Franklin, TN from March 22nd-24th.

This time I wanted to tell you guys about my DCON experiences!! So this convention will be third and final convention. My first was in 2017 at Gatlinburg, TN. In all honesty, it was what triggered my great passion for Key Club. There I met with people from all over the district and formed friendships that I still cherish today. Additionally, I got to see the amazing District Board and was amazed at their work and passion. This made me want to be a part of the board.

My second DCON was at Lexington, KY in 2018. Here I had the honor of running as a candidate for District Secretary. It was one of the most exciting and eye opening experiences I had. Through this I got to meet some of the most amazing people and gained a new perspective for Key Club. Now today I am here as the KT District Secretary working with these amazing people

My DCON experiences were absolutely amazing and I am so glad that I decided to go. I hope to see all of you there and have an experience of a lifetime. Thank you and see you in Franklin!!
