HELLO!

Wow, K-T, time really has flown by since DCON! In the past four weeks since convention, your new District Board has been working tirelessly to begin the upcoming year with preparation, planning, and problem-solving; we can't wait to show you all that we're working on! Recently,

the whole board met in Knoxville, Tennessee in our first Board Meeting of the year. Countless memories and annual goals were created as we paved the way to an effectual, impactful year ahead. From putt-putting and acquiring tickets at the arcade to brainstorming objectives for our committees and presenting them to the group, last weekend was truly a time to remember! As a Governor and a friend, I cannot overemphasize the caliber and enthusiasm this board has demonstrated already, and I am so proud of and ecstatic for them. We truly have an extraordinary group to lead K-T this year.

In my first newsletter, you will find a recap of our very first Board Meeting together, overview of engaging upcoming events, and a glance at what's to come in the next year. Oh - and you'll be receiving these newsletters from myself and your Division LTC monthly! Stay tuned!

ABOUT THE GOV!

Before we delve into the new year, I would like to take a moment to introduce myself, Ashley, to the K-T District! I love meeting people with similar interests and hobbies as myself, so if you find yourself striking a similarity with me, reach out!

- I'm super involved in Speech and Debate! Over the past three years, I've placed at the District and State level and this year, I had the privilege of qualifying for Nationals in Congressional Debate!
- I have a passion for current events and alleviating inequality in my community. Alongside the Mayor of Clarksville, I chair our city's Youth Council and address the most pressing teen issues.
- I played the piano for 8 years and was a Student Member of the American College of Musicians!
- I have a pet goldfish named Rio - he's lived to be 8 months old!
- In addition, I'm a meme lover and a devoted dog person. Whenever there's both, it's my favorite thing.

Finally, and I cannot stress this enough, if you ever have any questions regarding myself, my district, or this wonderful organization, you can always email me at ashley@ktkey.org!

A Recap of Spring Board

KNOXVILLE, TENNESSEE

Ah, Spring Board! Though it only lasted three days, seemingly lifelong memories and friendships were created in the span of time, setting the stage for a productive year. From Friday to Sunday, each day consisted of several hours worth of meaningful, worthwhile meeting time and a sizable amount of recreation time

that truly bonded the group in a matter of hours.

Although last weekend was certainly a time to remember, most importantly at Spring Board, our board received training and pointers on how to best execute their duties this next year! If they haven't already, your divisional Lieutenant Governor (LTG, for short!) will be in contact with you soon to discuss how to best elevate your club in the coming months. And, as always, I'm here for help if you would like some!

"MY FAVORITE MEMORY WAS FALLING FACE-FIRST ONTO THE PUTT PUTT TURF THEN GOING TO WIN 25,000 TICKETS IN THE ARCADE."
