RE-CAP OF DCON:

The 2019 DCON was held in Franklin, TN with a surfing into service theme. This years district project was toiletry bags for the local Ronald McDonald house. Some of the events that took place were workshops, a dance, election caucuses, and free time to explore Nashville. Two awards won by a club in our division were, "Best Club in Division 9" and first place for "Single Service Project". Congratulations to Madison Central. The "Outstanding Key Clubber" of our division was Sydney Giles from Model Lab School. At DCON, there is so much time to make new friends, connect with other divisions, get service project ideas, and have a life changing experience. It's also never to early to plan for 2020 DCON, have fundraisers and mark the date on your calendars because 2020 DCON will be an experience you don't want to miss.
