ABOUT ME

WRITTEN BY AIDEN
HAMADE, BULLETIN EDITOR

Hello! My name is Aiden Hamade. I am a sophomore at duPont Manual High School in Louisville, Kentucky, and I was recently appointed as Bulletin Editor of the KT District. I'm a very outgoing person so if you see me at ICON feel free to talk to me! I love to travel and photography but, unfortunately, don't get to take pictures as much as I want to. I'm also a big fan of computers. I'm a bit of a technology nerd, which is great for my position on the board as I serve as the chair for the Technology and Communications Committee!
