## International Convention

JUNE 30 - JULY 7

K-T to DC! The date is coming VERY near to register for the 76th annual Key Club International Convention where the Kentucky-Tennessee District will be touring Washington D.C. on the way to Baltimore. These tours will include monument tours, museums of the Smithsonian, and tour of the capital before leaving for Baltimore. Free time during the convention in Baltimore will be in the Inner Harbor area and convention activities will be held from Wednesday (July 3) to Saturday (July 7).

It would be a great experience for not only going to International Convention, but an amazing price to join the KT tour for only \$879 that can be paid through various fundraisers!

## Bark in the Park

JUNE 15

This year's summer division meeting will be in Coolidge Park on 150 River St, in Chattanooga TN. At this meeting we will make toys for cats and dogs at the local animal shelters out of old t-shirts, and after enjoying a fun-filled service project we will have an ice cream bar to cool off from the hot summer day, and to begin divisional bonds with other club, leaders, and new friendships. This event is a casual dress that will last from 12-4 and a potluck of bringing your favorite ice cream and beverages.

## Fun in the Sun

DATE TBA

Fun in the Sun is a late summer's activity where the division can come together before school begins and work together to raise money for the Chattanooga Ronald McDonald House through a carwash! This will help beat the heat of a mid-summer day, and another great way to connect with your fellow key clubbers! More information will be shared in my June newsletter, so be on the lookout.

## Contact Information

Attached is a link to a google form for Advisors and Presidents to fill out information for the 2019-2020 Officers for home clubs. I urge you to fill these forms out so you can stay up to date on any meetings or events that are not mentioned in newsletters, and for new fundraising ideas for service projects, trips, or overall club fundraisers. If you have any questions over the google form, or anything else please email me at [Cyndi@ktkey.org](mailto:Cyndi@ktkey.org).
