MAY 2019 VOL 2

DIVING INTO DIVISION 8

Langley Sebastian

Need to Know's

Hello, Division 8 Key Clubbers! I'm back again and excited to inform you of all the upcoming key club events and opportunities coming your way, but first I need help! If you are an advisor I ask that you send me your clubs' President's contact information and future meeting dates!

Monthly Motivation

"The best way to find yourself is to lose yourself in the service of others." - Gandhi

ELIMINATE PROJECT

MAY 2019 VOL. 2

Get Recognized

Does your club do a lot of service projects? Well KT-Key wants to see them! Send your service project photos and a brief description of the activity to me for a chance to be featured on the Kentucky-Tennessee District social media and website!

Eliminate Project

The eliminate project is in partnership with UNICEF and Key Club International to end maternal and neonatal tetanus across the world. In order to vaccinate over 129 million mothers around the world, UNICEF and Key Club need the help of all their members! Key Clubbers are encouraged to participate in Eliminate Week May 6th-10th to spread awareness of MNT.

Monday: Make it known! Educate people on the effects of tetanus on mothers and babies

Tuesday: Toss it out! Encourage people to toss something out that the frequently buy. Instead of buying coffee for a day, send the money to the Eliminate Project!

Wednesday: E-Lemon-Ate! Video yourself eating a lemon and post it on social media challenging others to do the same!

Thursday: Throwback Thursday! Post a photo of mothers and babies who have been affected by neonatal and maternal tetanus to raise awareness.

Friday: Fundraiser Friday: Create a fundraiser and donate all proceeds to the Eliminate project! Tag us in your photos @ktkey
