HI THERE!

Happy May! We are near the final stretch (or,, for me, the final week) of school, which means that summer is nearly here! Speaking of summer, don't forget that the ICON Registration deadline is near: May 15th. Submit your \$250 deposit and your required forms (found on ktkey.org to

be guaranteed a spot on the K-T District Tour and the 2019 Key Club International Convention. Not only will you be able to meet approximately a thousand of the world's most inspiring and dedicated Key Clubbers, but you will also spend several days with the best Key Clubbers of the Kentucky-Tennessee District touring all across the DC area. Some of the parts I'm most looking forward to are a private lunch at an esteemed club on Capitol Hill, nighttime tour of DC's most venerable monuments, and an entire free day to spend along the famous Baltimore Inner Harbor. You won't want to miss it!

In the month of May, I've really began to delve into this role as Governor. I started off the month in San Francisco with my 33 fellow Governors (to the right is me and Lillie, the Ohio District Governor), at a training where I learned how to effectively lead my district. I can't wait for the upcoming year!

Recap of GATC

MAY 2ND - MAY 5TH, 2019

The Governor and Administrator Training Conference (aka GATC) is one of the first opportunities for Governors across the Key Club International Districts to meet and learn how to adapt to their new role. It also helped all of us create goals for our term and for our District with our Administrator. Pictured above is a snapshot taken of me and a few of my new Governor

friends on our last day of training. We had just finished a bowling game, and albeit unsuccessful, we were certainly in good spirits!

I truly cannot understate the excitement I have for this upcoming year, K-T! The camaraderie and passion found on the District Board and International Council is beyond awe-inspiring, and it's sure to effect a productive, service-oriented year!

With that being said, stay on the lookout for new and innovative ideas in the upcoming months!

SAVE THE DATE:

ICON Registration is due the 15th with \$250 of your payment due. Check ktkey.org for more!

We'd love to have you!

Don't Forget -
