# ANGEL CHRONICLES

## It's finally summer!

Hey Key Clubbers! It's June, and that either means you all are relaxing and catching your breath from school or you're packing your schedules with lots of activities! Either way, this season is the perfect time to serve your communities and represent Key Club outside of school!

Here is my school club's new board!

## Reminders:

- Attend Division Council Meetings if your Lieutenant Governor is hosting one. This is a great way to meet new people who are passionate about service!
- Plan for Fall Rally 2019 and DCON 2020! Fall Rally is October 19th, and DCON is March 20th.
- Pay your club dues! They become payable on October 1st. Remember to pay by November 1st for the Early Bird Dues award!
- Work for your community this summer! Whether you serve by yourself or with some friends, you'll make memories and change people's lives!

## What am I doing?

This summer, I am making a document of several different fundraiser ideas for you all! Part of my campaign was to make sure that having ideas to raise money is not a problem for the K-T District. The document will include:

- Descriptions of the ideas
- Step-by-step instructions on how I would conduct them
- Tips and tricks for success

Expect to see this document by the start of the school year!

As always, contact me if you need anything:
