## HI THERE!

Happy June! As we officially close out on the previous school year, I'd like to take a moment to say wow! What an incredible year of Key Club it has been, and what an enlightening three months it has been for myself as Governor. I'm immensely proud of all K-T has accomplished in the

past year, and I cannot wait to see what the future holds for us all. I'm a proud Governor always! June has been a buffer month for me in terms of Key Club. I had GATC last month, ICON next, and it's been a great month focusing completely on my home district, K-T. Outside of Key Club, I've attended Volunteer Girls State, the Hugh O'Brien Youth Leadership Seminar, and the National Speech and Debate Tournament. Quite busy! The good news is that these events will be concluding in the upcoming week. I might be busy now; however, as always, if you have any questions at all for me at any point this month, you can always email me at [ashley@ktkey.org](mailto:ashley@ktkey.org) and I will get back to you as soon as I can! The Board has our Summer Board in a week and ICON in a little over three weeks. We can't wait for both!

## REMINDERS

Just because school is out, however, service isn't! Continue to pay it forward this summer by volunteering wherever you can, whenever you can. I read a recent article that said giving back actually makes you happier! So defeat that summer slump by getting out there and lending a hand in your

community. Additionally, your Lieutenant Governor will be in contact with you regarding a Divisional Council Meeting sometime in the near future. They are super fun! I went to mine a few weeks ago and it was so nice to meet some nearby Key Clubbers! I have heard wonderful things on both ends--and you will most definitely enjoy yours at yours! As always, if you haven't already, please send your club's contact information to your Lieutenant Governor so we can establish great communication early on! We want to talk to you and help where we can, and I promise you we're friendly.

Oh! Also, the two pictures on this page are from a trip to Hong Kong a few years ago. Much like myself, you too should send any and all pictures relating to service and Key Club to our social media so we can share how amazing you are! Come on, you know you want to!
