## THINGS TO DO WITH YOUR CLUB

### SUMMER ACTIVITIES

I hope everyone has had a wonderful start to their summer break! During this time it is always fun to have time to cool off from the stressful school year, but what is a better way to do that? Service! Serving others is a key role in key club, and during the summer there are so many opportunities to do that not only by yourself, but with your club as well!

Things that you can do with your club could be fundraisers for a designated charity. Maybe a car wash for the Ronald McDonald House, a bake sale for UNICEF. Possibly reaching out to the local fire and police departments by donating bagged goods of candy and thank you notes for their service as a boost of positivity and gratitude.

# BARK IN THE PARK

## DIVISION MEETING

I hope to see many of you at the meeting this upcoming Saturday, June 15, to participate in our service project! Do not forget to bring as many old t-shirts as you can so we can make our toys for the local animal shelters! If you have not already please email or text me if you are going to attend or not so I know how much food to bring. This event will be held at Coolidge Park, in Chattanooga, from 12-4.

If you have any questions about the location in specific you can text me at (706) 934-7896.
