of Key Club International

Keep connected!

Hi guys! A part of my job of being Lt. Governor is to keep other clubs connected and to know new things about your own clubs, including service projects. Let me know any relevant important updates or questions. For any advisors or officers: please email me or contact me your contact information as soon as possible Thank you !

Summer Activities

- participate in making and designing recycling cans
- plant flowers/build a garden for the community
- host a reading program for children
- have a summer project for kids who have free time this summer

UPCOMING DATES !

JUNE 30 - KEY CLUB INTERNATIONAL CONVENTION

September 1 - Divisional Council Meeting

October 1 - Annual key club dues are payable

District service picture frame !

I love it when clubs are active and commemorating their activities through pictures. So, to facilitate in that, if you all have a service projects you have recently done, email or contact me a photo of your club participating to show in the District 14 picture frame!
