Keeping Up With the Key Clubbers

International Convention 2019

It all started with a little tour of our nation's capital, Washington D. C. with the Kentucky Tennessee district! We had an amazing time touring the national monuments, visiting the Smithsonian museums, and hanging out in the national mall. After two days of D.C. our lovely trip moved into Baltimore, Maryland where the convention was held.

After treating ourselves to a free day in the exciting city of Baltimore, we held an exciting meet and greet where there were games, pin trading, and exciting service projects. Throughout the rest of convention we learned how to deal with difficult people, apply for Y.O.F grants, and so much more!

Not only did we learn about the fundamentals of Key Club, we also learned about each other through bonding over face masks! This trip brought our district close together as we were able to meet new people and share so many new experiences!!!
