OFFICER TRAINING

Unfortunately there is still no Lieutenant Governor for Division 2, so an officer training session has not been set up yet.

DIVISION COUNCIL MEETING

A DCM is a chance for members of different clubs in a division to meet each other, sadly, however, the same applies for the DCM. Without a Lieutenant Governor they are hard to plan.

ICON RECAP

The Kentucky-Tennessee Tour of Washington, D.C. and Baltimore, Maryland was a complete success! We got to adventure through all of D.C. and tour our nation's beautiful Capitol building. We arrived in Baltimore to kick off ICON with a meet-and-greet where members from all over the world got to trade pins and dance together, but the most exciting part was voting on new amendments and the International Board. Delegates voted to change the Key Club pledge, which is very exciting considering it is the first time it has ever happened! On the K-T side of things, all 3 of our previous district executive board members won distinguished awards. This is the first time a treasurer from K-T has ever won.

We hope to see you next year at ICON where it will be held in San Francisco, California. People are already starting to get excited about that!

SUMMER REMINDER

Although a lot do, your Key Club doesn't need to be inactive over the summer! Try to get a few friends together to do a service project for a local non-profit. Try a park clean-up or help out at your local library!

You could also use this time to gather your officers and map out your upcoming year of service or set up club bonding!

YOF GRANT

The Youth Opportunities Fund Grant is a great chance for clubs that lack funding to do service projects that they otherwise could not. The grant can provide as little as \$100 up to as much as \$2000. All applications should be written in detail and submitted by October 15th. They can be found on the district website. My home club at DuPont Manual in Louisville, KY, applied for the grant last year and we received \$1000 to make supply drops for the Volunteers of America.

UPCOMING EVENTS

The next most important event is **Fall Rally**. This will take place at Dollywood on **October 19th!** Make sure you be there!

Fall Rally tickets are \$50 and they include a t-shirt, one meal voucher, and entrance to the park.

District Convention will take place this year in Lexington from **March 20th - 22nd.**

Start preparing for Fall Rally and DCON soon!

WE NEED AN LTG

If you are available to become a Lieutenant Governor for Division 2, please contact us! It truly is a great experience, you get to meet so many new people, you learn great leadership skills, and you get to be much more active in your community. Any of us on the K-T Board would agree!
