HI THERE!

We've come to the home stretch of Summer Break! I hope you all have enjoyed a restful, yet productive, summer. Gentle reminder: if you've done any Key Club-related activity this summer and would like to show it off, send it to me at ashley@ktkey.org! I'd love to share all you all have done!

The past month has been a whirlwind of fun, anticipation, excitement for your District Board. In the month of June, your Board wrote their Board Reports to present at our Summer Board meeting, began preliminary planning for future District events, and packed for our District Tour and International Convention, culminating in attending the 76th Annual Key Club International Convention where all attendees had the time of a lifetime honing their leadership and service skills alongside nearly a thousand other Key Clubbers from all across the nation and world. It was incredible!

July will be another hectic, yet rewarding, month for us. If you haven't already attended one, your LTG will be hosting a Divisional Council Meeting (DCM!), and you should definitely make time to stop by! The start of the school year only maximizes our productivity, and we can't wait to show you all what our hard work will create!

Recap of ICON

JUNE 30TH - JULY 7TH, 2019

On June 30th, the Kentucky-Tennessee District set off on its District Tour to Washington D.C. and following trip to the 76th Annual Key Club International Convention. After a 14-hour bus ride, our 57-person delegation finally arrived in D.C. From exploring all parts of the National Mall to dining at a private club on the outskirts of Capitol Hill to partaking in

a nighttime tour of all of the capital's most awe-inspiring monuments, D.C. was an incredible and memorable experience for us all. After two days exploring the city, we headed to Baltimore, Maryland to attend ICON! We made quite a few memories on the night of our arrival and on our free day on the Inner Harbor, but none compared to the friends we made, material we learned, and experience we had. Our group left ICON more inspired, more innovative, and more excited to continue their journey with Key Club. Even better, we now have nationwide friends to share it with!
