1- HELLO!

Hello! My name is Andrew Miller, I currently serve on the district board as the Historian; but my role just got a little more interesting! I am now serving along side Jacob and Catie as your LtG for this year. A little few things about me is that this is my second year serving on the district board, I am a Junior at the L&N STEM Academy in downtown Knoxville, and that I love speaking with everyone. I personally apologize about the delay in communication between the district and club level. I can not wait to work with you all!

1- START UP!

I hope that everyone had an amazing summer! As the new school year begins, clubs start meeting again. If anyone needs any help with anything, please feel free to contact me!

2- CLUB OFFICERS!

I am calling on all of the club officers to stand up and speak out. I want to hear your voices and your opinions. Your ideas truly matter; the only way we can grow and achieve more as a division is through communication and working together. Please reach out to me and let's strike up a conversation. I can be reached at Andrew@ktkey.org (865)382-0899 or snapchat me at @AndrewMiller137, I am looking forward to what you guys have to say.
