## The SPOTLIGHT

KADEN FISHER

Hello Key Clubbers, sorry for being partly absent, I was away at a summer program but, now I am back and ready to tackle this year head on. Soon we will be recruiting new members, paying dues, and starting a new year of service and I will begin to schedule meetings.

I hope you're ready for a busy year ahead. I want to push and encourage for more club participation in district events as well as interconnected club relations across the division and I will be here every step of the way to ensure that we make progress.

# Back to School

Part of the new year is a new board for some of you and part of my job is to train officers. For some of you, you have been doing your jobs for a long time so this isn't for you just to sit through but also give input into. I will be conducting this soon, no later than the end of September. More information to come with this as well.
