# DIVISIONAL COUNCIL MEETING (DCM)

Our first Division 5A DCM of the year was an overall success! We had only 12 members show up, but considering that we had representation from 7 clubs is just great. We covered K-T business and then proceeded to the service project which was taking pop tabs off thousands of recycled cans. Thank you to all that came and we will for sure be having another one soon, so I wanna see everybody there if you can come!

# 5A Officer Training

Coming up soon I will be training each of your club's officers to carry out your duties correctly. At the moment the Date, Time, and location are undecided, but as soon as everything is out I will tell you all. It is going to be awesome. Every officer will need to be present if they can.

## District Project

In K-T we have two main projects. The first official project is the Ronald McDonald House. Here homeless people get to stay as needed and those in need are given resources and health care for those in the hospital. If you are interested in volunteering there check out their website. The second official project is The Eliminate Project. Their goal is to eliminate worldwide maternal neonatal tetanus. To get involved you can hold fundraisers and donate it to them through their website.

## Pic of the Month

# Fall Rally

Around the corner is the biggest district event, Fall Rally! Join all of KT October 19 at Dollywood for a grand time and an update from your district board about DCON and other events. The price to attend is \$50 and that includes admission, a shirt, and a meal voucher. The rally starts at 11 and after it's over the day is yours! Contact me for more info.

# District Convention

Despite seeming like light years away, the annual District Convention will be here before you know it. It will be held March 20-22 in Lexington, Kentucky, and will be where we elect our new district board, attend workshops, win awards, and my favorite which is meet Key Clubbers from all over the district. The price is not determined yet, but to prepare it would be best to do some fundraisers, ask your Kiwanis for money, and my go to which is ask your parents. DCON's theme will be unveiled at Fall Rally, so get pumped. More info will be coming your way as soon as I get it.

# Trick or Treat for UNICEF

Every year during Halloween kids go around trick-or-treating and with a special UNICEF box they say "Trick or Treat for UNICEF". Your club has the opportunity to participate by filling out the form for boxes that is in the link in the introduction. If your club has already participated then expect to receive boxes. Boxes should arrive in early September and this is all free to your club.

# Key Club Week

The week of November 4-8 Key Clubbers from around the world celebrate all that is Key Club and give back to the community. Each day has a new challenge which each club is recommended to try. I will send you guys more info as the time comes closer.

## Membership Drive

Here are some ways that your clubs can increase membership:

- Icebreakers
- Ice Cream Social
- Incentives
  - Donuts
  - Hours for bringing stuff in
- Service Projects

**Ask me for more ideas if you need any!**

# Grind Time

Now, I know school is starting up and you guys may become bogged down in your school work, but now is the time to really get locked into Key Club. You are going to be having your meetings and be involved in lots of things so I hope you all are ready. Remember that no matter what happens I will be here for you guys. Let's do this.

## Turn Key Club On!!!
