INTRODUCING ME!

Hello everyone! My name is LeAnn Khong and I am the 2020-2021 Division 10 Lieutenant Governor. I am an upcoming senior at Frederick

Douglass High School. I joined Key Club as a freshman and I have served as my clubs Vice President, President, and as the Kentucky-Tennessee District Historian. My job as Lieutenant Governor is to help the progression of the district by communicating with all clubs in my division and guiding them through their Key Club year. I am extremely excited to work with your club and to hopefully meet you!

2020 INTERNATIONAL CONVENTION

I'm sad to announce that the 2020 ICON in San Francisco was cancelled due to COVID-19. Refunds will be sent out over the next couple of days to anyone who has already registered for the KT Tour.

CLUB CONTACTS

Newsletters are a great way to update everyone in the division about the latest happenings within the division. Please send me an email with any contacts for your club officers and anyone interested in receiving division-wide news! Also if your club has not held an election for the 2020-2021 school year, don't stress! You can hold elections when schools resumes or you can try a virtual meeting before the year ends. I can help guide you through this process if needed.

CONGRATS TO US!

Out of the nine District Convention contests, Division 10 represented four award wins! I'm honored to announce the following schools who will be judged at the Key Club International level.

Distinguished Club

Bourbon County High School

Major Emphasis Award

Frederick Douglass High School

Single Service Award Silver Division

Frederick Douglass High School

Club Video Contest

Frederick Douglass High School

SPRING BOARD SUCCESS!

This month, the Kentucky-Tennessee District Board held their first ever virtual Spring Board Meeting. Lieutenant Governors were trained, the Bulletin Editor and Historian positions were approved, and the District Board members even got to bond over a virtual lunch break. To say that we are all excited and eager to progress our district is an understatement!
