## INTRODUCING ME!

Hello, Division 1! I am Y'Alexia Robinson, the Division 1 Lieutenant Governor, and I would like to tell you a bit about myself.

I attend La Vergne High School, where I am very involved in our marching band Cologuard, Choir, National Honor Society, and, of course, Key Club!

I am passionate about helping others and I am extremely excited to lead our Division through a successful year.

This year I plan to broaden the way for Key Clubs in division 1 to become more exposed than they appear in schools. Key Club is an amazing organization to be apart of and I want as many people to see the light shine from it as possible. My goals for this year are to truly be a family and share our experiences with each other monthly either through a video chat or a division dinner. I am so excited to work with you all this year!!!

I am always open to hear from you all so please share ideas you want or activities you want us a division to part take in or even just to have your LTG there for a helping hand.

# 2020 INTERNATIONAL CONVENTION

Unfortunately the 2020 Key Club International Convention has been cancelled due to COVID-19. While this is very disheartening, it is important that we stay safe! Those who already registered will be contacted by the District Administrator, Steve Phillips, about refunds. Keep in mind that ICON 2021 is in Orlando, Florida! Hopefully everything goes planned for that and I hope to see you there!

## ANNOUNCEMENTS

During this time do not be discouraged to reach out to your club members and do service for your community via video!!! There are awesome opportunities out there to do, such as cleaning out your closets as a club to give old clothing to a store who shares them with people in need. Do not hesitate to reach out the Kiwanis or even me for ideas!!!

## DIVISIONAL LUNCHEON

There will be a Division 1 council meeting luncheon on May 23rd at 11:30 am/CDT via Zoom! Even with COVID-19 going on, let's make the best of it and get to know each other! OR despite the current circumstances, we can make the best of the situation and get to know each other virtually!

## CLUB CONTACTS

Please send me an email with any contacts for your club officers and for anyone interested in receiving division-wide news! Also if your club has not held an election for the 2020-2021 school year. don't stress! You can hold elections when schools resume or even hold a virtual meeting before the year ends, I can help guide you through this process if needed.
