Hello Division 15!  
My name is Anna  
Ryan! I am thrilled to  
announce that for the  
2020-2021 school year, I  
am serving as your  
Lieutenant Governor!  
During my term, I will  
be a sophomore at

Clarksville High School. This year, I began my Key  
Club journey with my role as Webmaster at  
Clarksville Academy's club. Today, serving with  
Key Club has become my passion. My other  
interests include acting and the arts, and I am  
always listening to music! I hope to get to know  
all of you in the coming months, and feel free to  
contact me (contacts are displayed on the next  
page) if I can help you with anything!

Sincerely,  
Anna Ryan

## ICON Update

I regret to inform all of you that International Convention for this year has been cancelled due to the ongoing threat of COVID-19. For those of you who have already paid, refunds will be provided. I apologize for these unfortunate and unprecedented circumstances.

Remember to stay inside and stay healthy so that we can resume our Key Club activities in the future.
