# THE DIVISION SIX SCOOP

## Contact Information

I am still collecting contact information. If you would like Key Club information to be sent to you personally, please let me know so that I can add you to our divisions mailing list. Otherwise, these newsletters will be how information will be distributed.

## Club Contacts

I need to be able to contact all the club officers in our division personally. I have begun to contact advisors about where each club stands with their officer elections. If you have any information on where your club stands please contact me through my email, [aleeza@ktkey.org](mailto:aleeza@ktkey.org), or our Instagram, @ktkeyd6
