CLUB OF THE MONTH

Meet David Crockett High School, my home Key Club! They have 16 members and over 250 service hours for the 2019-2020 school year! Throughout all of their service projects, they really focus on directly seeing those they serve. Empathy and compassion drive their projects. The President, Emily Chaffin says, "Key Club has shown me what true empathy and compassion look like. This organization has made me who I am today!"

ELIMINATE PROJECT

Every 15 minutes, a baby dies because they didn't receive the tetanus shot. Key Clubs and Kiwanis came together to "eliminate this horrible disease, and to raise money for a well deserving cause. This past week was Eliminate week! Key Clubbers from all over the world had fun participating in creative ways to fund raise and spread awareness about The Eliminate Project!
