# LANDON'S LOOKOUT

DIVISION 9

## MAY UPDATE

---

Hello Division 9 Key Clubbers !  
I hope everyone is doing well and staying safe during this time. I know that I'm tired of staying inside all day, but I'm hoping the weather will warm up soon so I can spend some time in the sun. With school ending in these upcoming weeks, I know it's hard to stay motivated, but I encourage everyone to push through and end the year on a high note!

# HAPPY BIRTHDAY KEY CLUB !

May 7th was Key Club's official birthday.

Key Club has been helping high school students serve their communities for 95 strong years !

## CLUB CONTACTS

In order for our year to be as great as possible, I need to be able to contact everyone. I would like to get updated club officers' contact information as soon as possible from club advisors to ensure that I can keep everyone up to date on important Key Club events and projects!

# THANK YOU SENIORS

I want to thank all of our graduating Key Clubbers this month. Thank you for all the service that you have put in throughout your years of high school. Although we didn't get to say a proper goodbye, we will truly miss our senior members. I hope that as this chapter of your life closes, you look back on your years of Key Club and know that you made a difference by being involved in a wonderful organization. The K-T district would like to personally congratulate our seniors on social media, so if advisors could contact me with that information as soon as possible that would be great !

## summer service ideas

With the school year coming to a close it may seem that finding service ideas is difficult but I have some great ideas that are easy to do at home !

- Make cards for essential workers such as first responders or your mail man thanking them for their work
- Make a call to any person you know that may be at risk and see if they would like any supplies
- Clean out your closet and donate any unwanted items to a local charity
