

MAY VOL. 2

DALTON'S DOCS

DIVISION 12

Club Contacts

It is important that I have good communication with all club officers within the division. I ask that every club emails me with contact information for your club officers as soon as possible. Please send this information to me at dalton@ktkey.org. If your club has not had the opportunity to hold elections, I recommend holding a virtual election. However, it may be best for your club to wait until the start of the next school year to do so. With whatever your club decides to do, I am happy to help in any way I can

Eliminate Week

Maternal and Neonatal Tetanus is a severe public health problem that kills a baby every nine minutes. Several women and children die due to MNT. Kiwanis International and UNICEF joined forces in hopes to eliminate MNT. Key Club International celebrated Eliminate Week May 4th-8th with the use of social media challenges and donations in hopes to raise awareness to the cause!

Thank You Seniors!

I want to personally thank all of the Key Club seniors in Division 12 for dedicating your time, serving your home, school, and community, and for caring for each other. I am devastated that you did not get the recognition you deserve. The K-T District is recognizing Key Club seniors on social media in the coming weeks, so it would be appreciated if clubs could send names and pictures of club seniors so they can be recognized. Please send this information to dalton@ktkey.org

Preferred Charities & Service Opportunities

The K-T District Project is the Ronald McDonald House. Ronald McDonald Houses provide a place for families to stay, so they can stay close to their hospitalized child for no cost. All Ronald McDonald Houses have different needs, it is best to look on their website or call and ask about specific needs. The nearest Ronald McDonald House for Division 12 is in Louisville, KY and you can contact them by phone at (502) 581-1416. While it may be difficult to volunteer in person at this time, you could write cards, host an online fundraiser, collect donations, and more!
