## CLUB CONTACTS

I cannot stress enough how important it is that I am able to contact all the officers and advisors in our division. It would mean a lot to me if all the clubs in Division 6 would email me their contact information. I understand that many clubs haven't been able to hold their elections due to COVID-19 and now with schools being out, I recommend holding virtual elections. If you do hold your elections virtually, I would love to be there! Otherwise, you can hold your elections when school resumes. Hopefully, we will be able to return in the fall! Until then, stay safe!

## SUMMER ACTIVITIES

I know that with schools being out it can be difficult to plan projects but there are many projects you can hold from home. A special thanks to our Historian, Nate Nelson, for providing list of service projects to hold during the summer! I have put the list down below!

### From the Key Club International website

- Shop online at Dollar Days (a Kiwanis International partner) to buy basic supplies for schools supported by the club.
- Do your club members have old sneakers that still have a few miles left in them? collect and send them to Soles4Souls, a charity that will find someone who needs them.
- Ask members to gather "thinking of you" greeting cards and sign notes of encouragement for distribution to elderly residents of local assisted living homes.
- Contact your local chapter of the Red Cross and ask them if your club can participate in their "Holiday for Heroes" program.
- Write "thank you" notes that can be passed out to teachers at schools your club sponsors.

## HELP OUT OUR CHARITIES

It is very important that we help out our preferred charities which are Children's Miracle Work, March of Dimes, and of course our District Project: The Ronald McDonald House!

### Ways to help out Children's Miracle Work

- Visit <http://childrensmiraclenetworkhospitals.org/Help> to learn about different ways you can help save kids' lives.
- Purchase a Miracle Bear
  - Chico's, White House Black Market, Soma and Boston Proper are donating \$15 of every Miracle Bear purchase to your local Children's Miracle Network Hospital.
- Reach out to your member hospitals' director and find out volunteer or donation needs.
  - Children's Miracle Network Hospitals support 170 member hospitals across North America. If you are looking to do something for the CMN Hospital near you, simply click on the Find Your Hospital link on our website and search by zip code or state
- Donate.
  - For more information on Children's Miracle Network Hospitals and the 10 million kids treated at a CMN Hospital annually, visit: <https://childrensmiraclenetworkhospitals.org>.

### Ways to help out March of Dimes

- Organize, purchase or solicit in-kind donations for gratitude gifts and meals to send to healthcare providers, nurses, doctors, respiratory therapists, child life specialists, hospitality workers, lactation consultants, etc. who are serving moms, babies and families during the COVID-19 crisis.

- Every year 4 million babies are born. This is an exciting and challenging time, but can also be scary when everything doesn't go as planned, and even more so during this uncertain time in our country. Please show your support sending a note of hope. This could include:
  - A note to a mom or dad to be or to a family with a baby currently in the NICU. Sharing your advice, experience and words of encouragement.
  - A note to healthcare providers, nurses, and staff who are on the frontlines making sure that moms and babies are receiving the best possible care.
