Hello Division 1!

I know under the circumstances everything is a little confusing as we are working around COVID-19, trying to get back into the swing of things. I want to still advise you to be safe! As we know summer is upon us and we are all ready to get out and go! With that keep in mind the different charities and our district project we are apart of to find ways to work with them through your summer break.

On a more bittersweet note our Division 1 mukbang on May 23, 2020 was canceled, but we are planning a simple Meet and Greet with Division 1 June 26 that I am very excited for. I hope to see all of you there!

To that point, I have emailed Division 1 regarding a new way of communicating so please take a look at that! It will help keep information organized and just a little bonus the District Board also uses it as a form of communication as well! The link to join the band is attached in the email I sent to Division 1 on June 4th!
