DISTRICT MEET & GREET RECAP

The Kentucky-Tennessee recently hosted the first ever virtual meet and greet, Zoom! During this time Key Clubbers and Kiwanians were able to come together and meet the 2020-2021 District Board, and play a fun Key Club trivia Kahoot! To say that everyone is eager and excited for the new year is an understatement!

CLUB OF THE MONTH

Meet the Daniel Boone High School Key Club! They currently have 42 members and have a total of 332 hours of community service hours! Currently, they are completing a service project where they are writing letters to local nursing home patients! The President, Cara Murray says, "There's nothing more rewarding than knowing that you helped make the world a little but better!"
