## Club Contacts

Hello, Division 5b Key Clubbers!

I hope everyone's summer is off to a great start. I am still missing contact information from several clubs. Please, if you haven't already, email me as soon as possible with contacts for your club officers or anyone else interested in receiving division-wide news, aside from these newsletters.

# *RONALD MCDONALD HOUSE*

As many of you may already know, Ronald McDonald House is the K-T District Project. With that being said, the board is encouraging all of you to help support. The Ronald McDonald House provides a place for families of sick children to stay. Some things they are in need of are monetary, as well as item, donations (canned/frozen goods, bottled water, toiletries, etc.). There are many ways you can volunteer for them, including donating meals, sending pop tabs, and hosting fundraisers! While we are still social distancing, some ideas of how to help from home include sending donations, or creating a virtual fundraiser!

## *DISTRICT MEET AND GREET*

During the month of June, the Kentucky-Tennessee District held the first ever virtual meet and greet! During this time, members from all over the district bonded with each other, as well as board members, and tested their knowledge during a Key Club Kahoot!
