Happy Summer Division 9 Key Clubbers ! Congrats to everyone for finishing out the school year strong, despite the abnormal circumstances. I hope you use this time to relax from the school year but also think about how you can use this time to be productive !

# SUMMER SERVICE PROJECTS

It's very easy to want to just relax and not do anything during summer, but I have some ideas to keep you motivated and active in Key Club!

- There are several ways to get involved with the K-T District project, the Ronald McDonald House! You can collect pop tabs, volunteer on-site (if permitted), or donate needed items! Current wish list items include: monetary donations, toilet bowl cleaner, Swiffer wet jet pads, and cleaner refills, dishwasher detergent tabs, dish soap, disinfectant spray, and Clorox wipes.
- Make cards for essential workers, such as first responders or your mailman, thanking them for their hard work.
- Clean out your closet and donate any unwanted items to a local charity.
- Make a call to a person who may be struggling and see if they would like any supplies.

## CLUB CONTACTS

In order for our year to be as great as possible, I need to be able to contact everyone. I would like to get updated club officers' contact information as soon as possible from club advisors to ensure that I can keep everyone up to date on important Key Club events and projects!
