Editor's Note

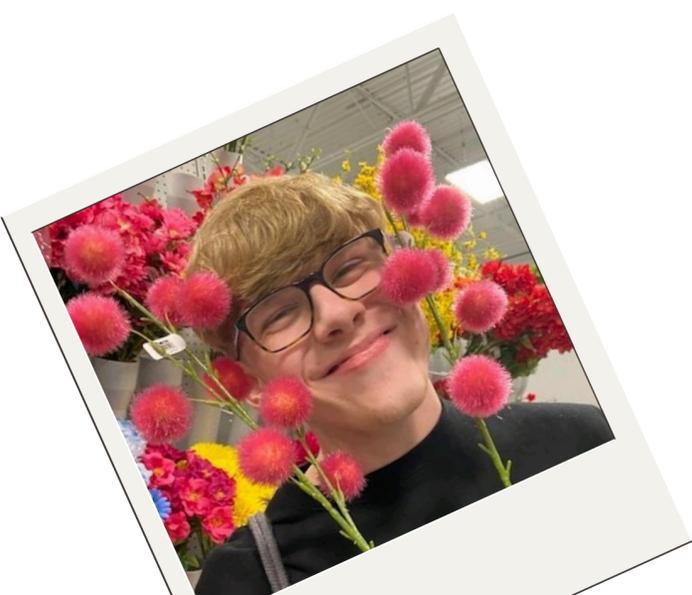

Hello, K-T!

My name is Jackson Trotter, and I am the Bulletin Editor for the 2020-2021 year of service! I have already had the privilege of meeting many Key Clubbers despite these difficult circumstances, and I am excited to continuing forming long-lasting relationships through this excellent organization! I am so grateful to have this officer position. I hope to extend as much information to clubs as I can in addition to providing a multitude of resources to enhance this year of service!

I come from Clarksville, TN in Division 15, and I am going to be a Senior in the fall -- which has still not registered in my brain! I have been involved in Key Club since my freshman year of high school, and I would have to say my favorite service project has been making dog toys out of donated t-shirts. I am also a competitive saber fencer and get to travel to across the country for competitions. If you have any questions, suggestions, or comments, please do not hesitate to contact me! I would love to talk to you!

I hope this first publicaiton of the K-T Key finds you well amid quarantine!

Best,
Jackson Trotter
Kentucky-Tennessee
Bulletin Editor

Calendar of Events

October 1, 2020

Dues become payable

October 17, 2020

Fall Rally at Dollywood

November 1, 2020

Deadline for Early Bird Award for Dues

December 1, 2020

Dues become delinquent

February 1, 2021

Unpaid clubs become suspended

March 19-21, 2021

DCON at Gatlinburg, TN

GOVERNOR

My name is Lexi Evans, and I am the 2020-2021 Kentucky-Tennessee District Governor! I am a rising senior at Community High School located in Division one. I have been a member of Key Club for three years now, and I have enjoyed every moment! My favorite service project is reading to children at my local elementary school. I am very excited to serve as District Governor! I can't wait to see what our District accomplishes this service year! I love answering questions, making new friends, and giving you any support that you may need!

Yours Truly,
Lexi Evans
Kentucky-Tennessee
District Governor
lexi@ktkey.org

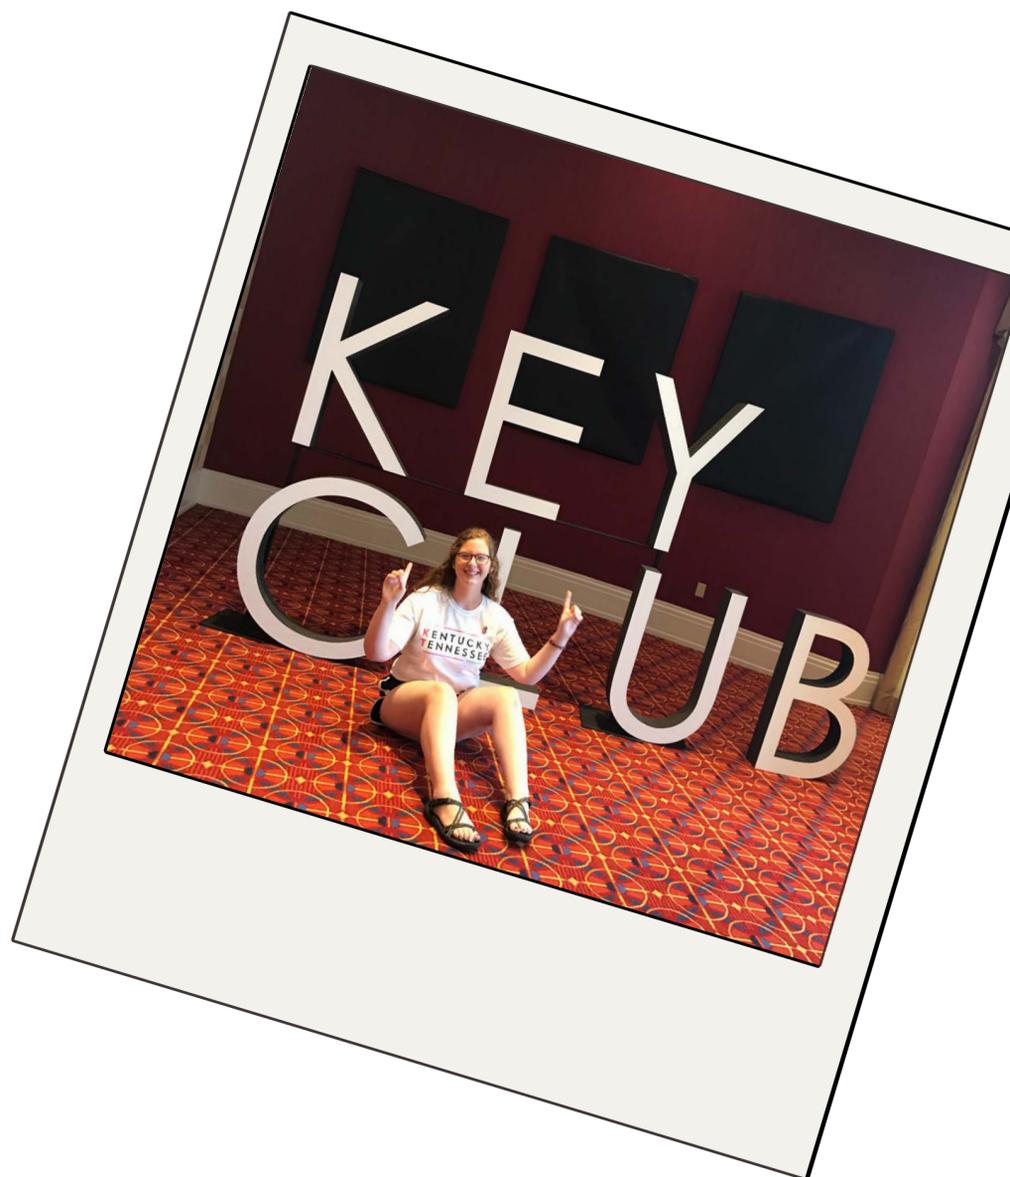

SECRETARY

I am Jayde Snyder, the K-T District Secretary! I am a rising senior at Franklin County High School in Frankfort, KY which is located in Key Club Division 10! I have been a member of Key Club since my freshman year, and I've enjoyed every second of it! I have served as my club's editor, my club's president, and as the Division 10 Lieutenant Governor!

I am super passionate about helping others, and I'm eager to help lead our district to a successful Key Club year! I would like to work on educating and connecting club members and officers this upcoming year. I look forward to working with different Key Clubs and Kiwanis clubs throughout the District. If your club is hosting virtual club meetings in the coming months, please reach out to me! I would absolutely love to hear what your club is up to, see plans for the year, and get to know your members!

Jayde Snyder
Kentucky-Tennessee
District Secretary
jayde@ktkey.org

TREASURER

Hello!

My name is Aiden Hamade, and I'm your 2020-21 District Treasurer.

I attend DuPont Manual High School in Louisville, KY where I am a member of our Key Club, National Honor Society, Spirit Club, and, most recently, our ESports team. I love indie music, true crime films, and playing video games. I also enjoy meeting new people, so don't be afraid to reach out to me about anything Key Club related or if you just want to talk!

I'm very excited to be here and I'm looking forward to seeing what everyone accomplishes!

Yours Truly,
Aiden Hamade
Kentucky-Tennessee
District Treasurer
aiden@ktkey.org

HISTORIAN

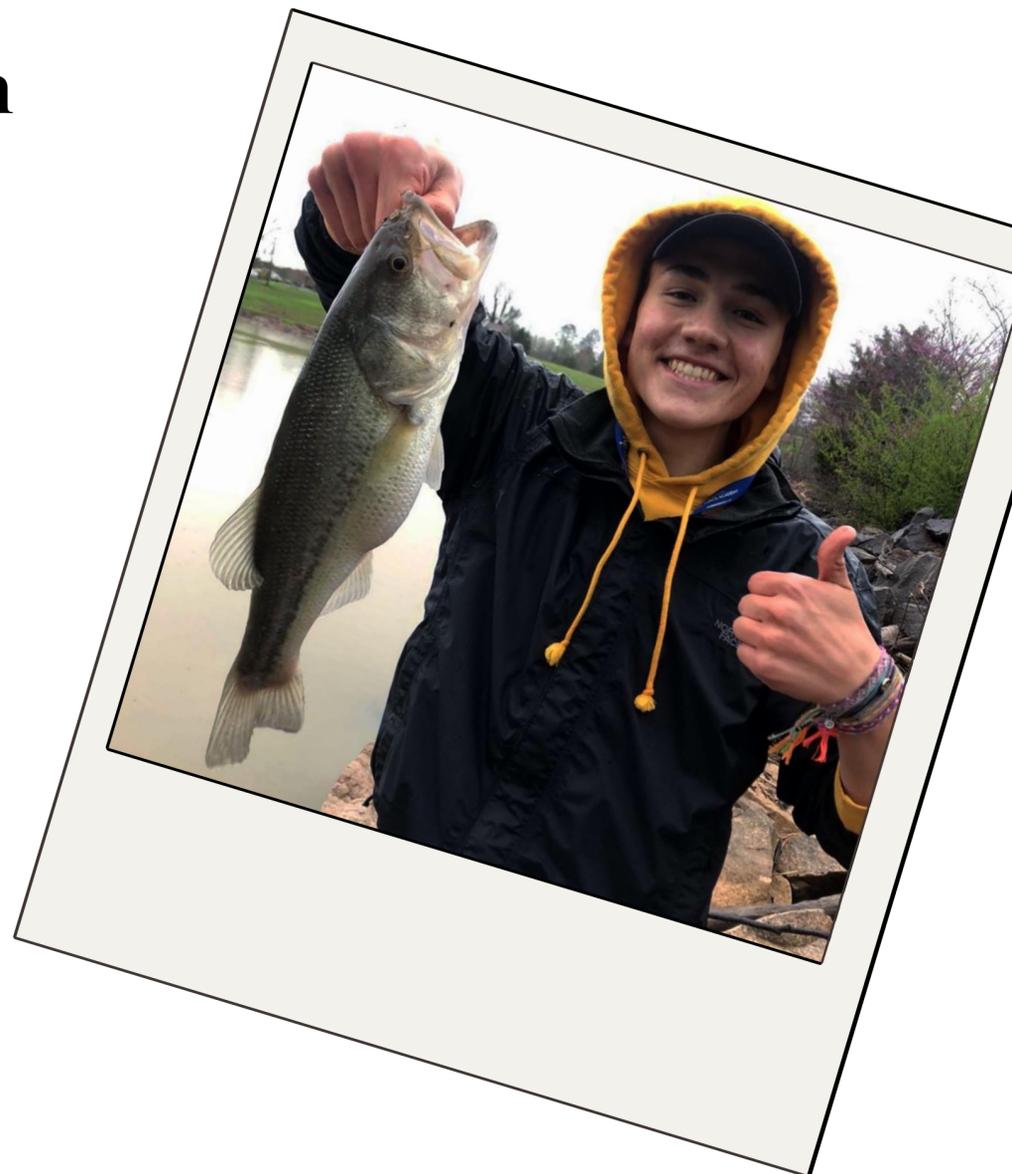

I am Nate Nelson, and I am pumped to be your district Historian this year! I love serving the community, and I love serving with my schools Key Club. I hope that I can help increase involvement with our District Charities. I would love to make it my mission to find a way for Key Club to start an environmentally friendly tree-planting project!

Nate Nelson

Kentucky-Tennessee

District Historian

nate@ktkey.org

MEET YOUR LtG

I attend La Vergne High School where I am very involved in our Marching Band Colorguard, Choir, National Honor Society, and, of course, Key Club! I am passionate about helping others, and I am extremely excited to lead our division through a successful year.

This year, I plan on broadening the ways for Key Clubs in Division 1 to increase their exposure to students. Key Club is an amazing organization to be a part of and I want as many people as possible to see us shine. My goal for this year is to truly be a family and share our experiences with each other monthly, either through a video chat or a divisional dinner. I am so excited to work with you all this year!!!

Y'Alexia Robinson

Div 1 LtG

yalexia@ktkey.org

@ktkeydiv1

Kendra Monshor

Div 3 LtG

kendra@ktkey.org

@ktkey_division3

My name is Kendra Monshor, and I'm Division 3's Lieutenant Governor for the 2020-2021 school year. I live in Rossville, Ga and attend Ridgeland Highschool where I am an upcoming senior. Some interesting/fun facts about me are that I'm in my school's band and, despite the heat, I absolutely adore band camp and marching season! I enjoy Indie music along with Crime podcasts and TV shows. My favorite food is the home made Gumbo I make with my dad! In addition to this, my favorite animal is a tie between a capybara and a sturgeon!

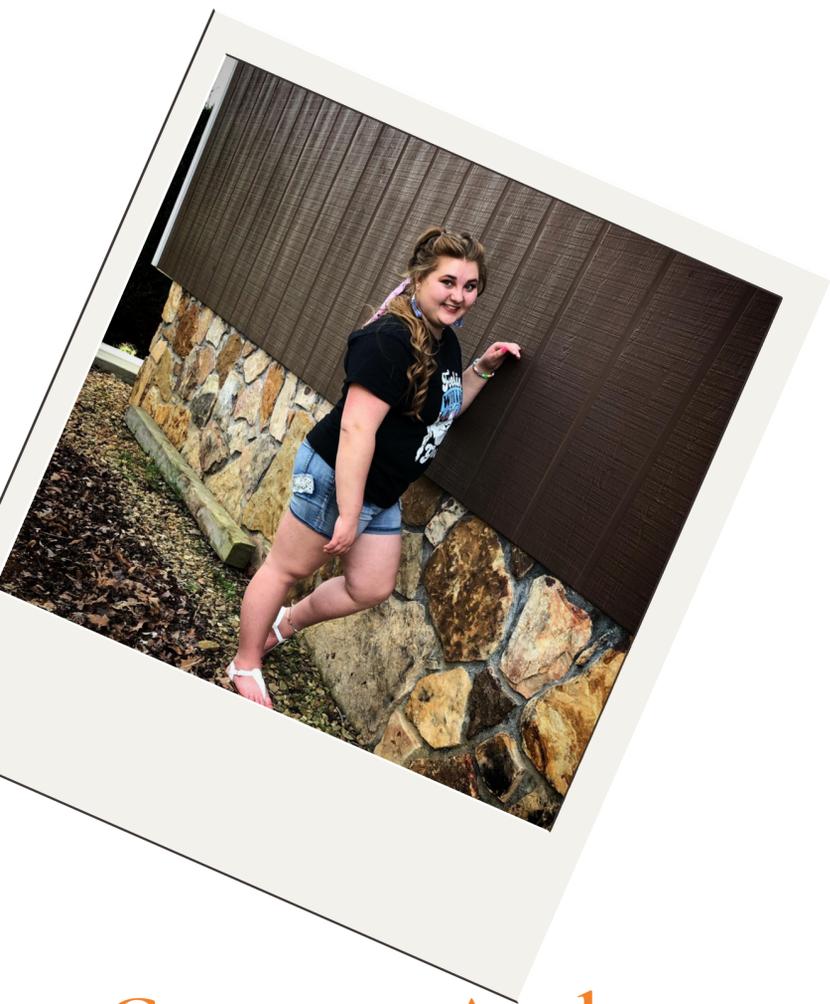

MEET YOUR LtG

My name is Autumn Manning, and I'm a junior at Fulton High School. I am the newly elected K-T Key Club Division 5a Lieutenant Governor for the upcoming year. I have served as president of my club the past two years. I am so excited for this upcoming year and look forward to get to work with everyone!

Autumn Manning

MEET YOUR LtG

Hi, Everyone! I am Aleeza Ahmad, the Division 6 Lieutenant Governor! I am 16 years old and currently a sophomore at Middlesboro High. This is my first year in Key Club and my favorite service project was Cops 4 Kids. I got to wrap Christmas presents for less fortunate kids. The whole experience is what made me fall in love with Key Club. When I'm not doing service projects you can catch me on the softball field. If I'm not there, you'll find me with my nose in a book, fantasizing about fictional worlds.

Aleeza Ahmad

[@kt.division.7](#)

Hello, everyone! My name is Jordan Richardson, and I will be serving as your Division 7 Lt. Governor! I am 16 years old and an upcoming senior at David Crockett High School. I am actively involved in my Key Club and FFA chapters at my school where I have leadership positions in both! I am so excited to work with your schools this year!

MEET YOUR LtG

Hello! My name is Lexi Marcum. I am serving as the Lieutenant Governor for Division 8. I have been involved in Key Club since my freshman year and I am so grateful for this opportunity. I hope that this year we are able to grow as a division even though circumstances are not what we hoped for. We haven't started off the way that everyone thought, but we are making it work! I can't wait to see what this year has in store!

Lexi Marcum

Div 8 LtG

lexim@ktkey.org

Landon Morrison

Div 9 LtG

landon@ktkey.org

I'm Landon Morrison, your new Division 9 Lt. Governor! I'm currently a junior at Madison Central High School where I am a member of the marching band, serve as the National Honor Society Vice President, and am a part of the Advanced Scholars Academy. I have been In Key Club since freshman year and I served as my home club's Treasurer this past year. I'm so excited to serve Division 9, and I can't wait to work with everyone!

MEET YOUR LtG

Hi, K-T! My name is LeAnn Khong, and I will be serving as the Lieutenant Governor for Division 10. I'm a rising senior at Frederick Douglass High School. Aside from Key Club, I manage my schools wrestling team, play on the varsity tennis team and play the viola in the Chamber Orchestra. I'm extremely excited to be serving another year on the District Board and can't wait to hopefully meet you all!

LeAnn Khong

Div 10 LtG

leann@ktkey.org

@kt.division.10

Hello, everyone! My name is Dalton Adams and I am the Division 12 Lieutenant Governor. I will be a sophomore at Bardstown High School for the 2020-2021 school year. I have a passion for service, and my favorite service project I've done is Feed America.

Dalton Adams

Div 12 LtG

dalton@ktkey.org

@ktkeydiv12

MEET YOUR LtG

Hi! My name is Natavia Gonzalez. I will be a sophomore this next school year. I play basketball, volleyball, and softball. I have been a Key Club member for a year. The reason why I joined Key Club is to help my community and make my community stronger. I'm so excited to make new friends and make new memories.

Natavia Gonzalaz

Div 14 LtG

natavia@ktkey.org

[@ktkeydiv14](#)

Anna Ryan

Div 15 LtG

anna@ktkey.org

[@ktdivision15](#)

Hello! My name is Anna Ryan, and I am the Division 15 Lieutenant Governor. I am an upcoming sophomore from Clarksville who will be attending Clarksville High School. I adore anything artsy or pertaining to wildlife and animals! My very favorite arts include music, theatre, and sewing! My passion is helping the underprivileged. I am specifically interested in human rights and ensuring that no one is neglected. All around, I love helping people and animals as well as giving a voice to the voiceless! I am so excited to see what we can do this year, and I know that we will make a difference in the community!

RACHEL ZHANG

Rachel originally comes from the

Minnesota-Dakotas District where she previously served as both a Lieutenant Governor and a District Governor. At ICON 2019, Rachel ran for and was elected International Trustee! Rachel served as Trustee for the Capital, West Virginia and K-T Districts through her 2019-2020 term. Rachel has served our District with excellence. Sadly, her term comes to an end this June/July when ICON would have been held. Be sure to thank her for her service! She has graciously provided us with some closing remarks:

"While my term as your International Trustee comes to an end, your officer term is just now beginning. With that being said, I hope I can provide some valuable perspective and advice for the unique journey you are about to embark on.

It has truly been an incredible year for me and I am grateful to each and everyone of you for the time and dedication that you put into your communities. I thought I would highlight some key memories of mine that, hopefully, will make you laugh or think a little harder.

When I attended my first District Convention, I was terrified. My mom made me go so I had something to do over Spring Break and I had not a single clue as to what to expect. From the moment I stepped into the convention space, I was in awe. There were students from all over the region there to share ideas and celebrate the service year. The spirit, confidence, and creativity that radiated from every student there inspired me to run off the floor with no idea what I was really getting myself into. From my first year of Key Club, I learned to be bold.

After a term as lieutenant governor and serving the clubs in my division, my biggest aspiration was to become District Governor to lead the entire District and District Board. But as a sophomore and considerably less experienced than my opposition, people told me my chances were bleak. I did it anyway. I spent all convention connecting with members, explaining my ideas, and answering questions. I left convention as District Governor. My second year of Key Club, I learned to persevere.

This past summer, I became an International Trustee. I was lucky enough to have bonded with the 2019-20 district boards of Capital, Kentucky-Tennessee, and West Virginia. I got to meet people from all over the country and experience things that I never thought were possible. Over the past four years in Key Club, I have not only found some of my closest friends but also built up skills that will benefit me far beyond Key Club. Each of you are in a truly unique organization and I urge you to make the most of this experience, you won't regret it."

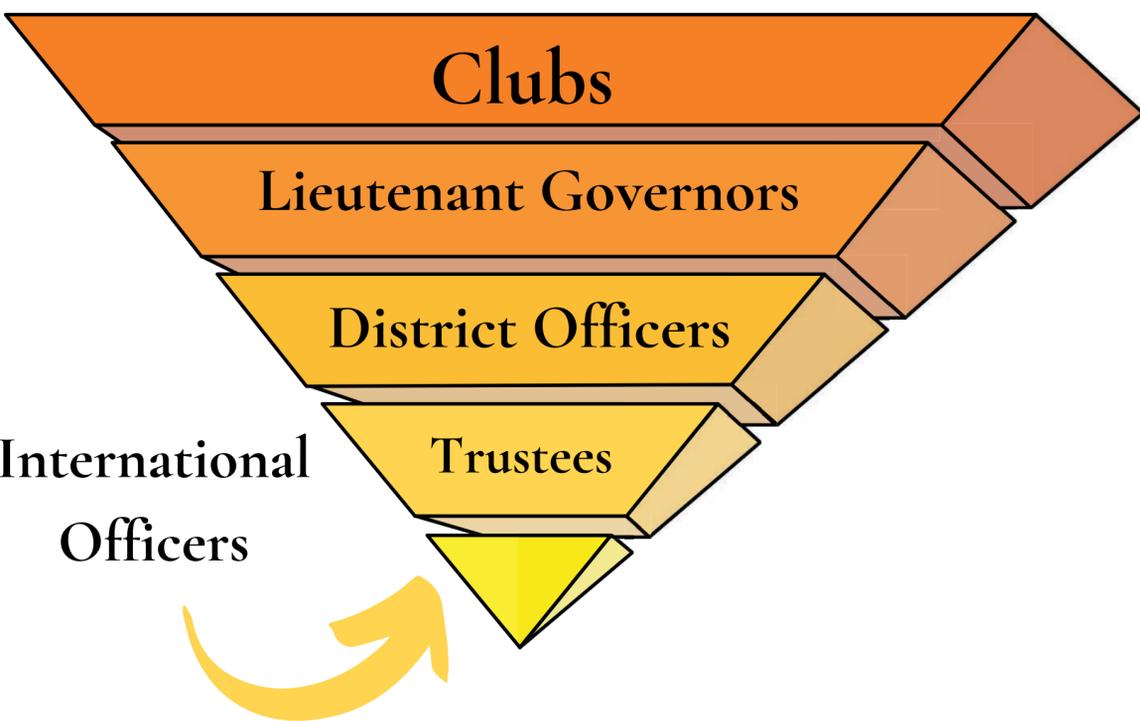

Yours in service and friendship,

Rachel Zhang

International Trustee

Levels of Key Club

I am sure that there is a group of you who may have gotten confused as they were introduced to the board. When I first joined Key Club, I had no idea that there were levels to it that extended beyond the club level. Boy, was I surprised when I attended my first Division Council Meeting!

Put simply, the foundation of Key Club is composed of clubs. Without clubs, Key Club could not exist! Lieutenant Governors (LtG's) serve as a liaison between the clubs and the District to communicate information. This information then instructs the District how they can best serve and help the clubs! The role of a trustee and the International Organization is analogous to that of the LtG's and the District, communicating information from the District to the International Officers who then help the Districts.

I implore you not to get frustrated! There is a lot to learn about Key Club! I encourage you to pursue more involvement in Key Club and climb the ranks in the Key Club "pyramid" throughout your Key Club career! Many Key Club upperclassmen share a similar regret pertaining to their Key Club journeys: not starting earlier. Learn from these sentiments and take off with your Key Club journey! I believe in you! Please feel free to reach out to any of the officers on the previous pages for advice!

Dues Explained

As you can see from the Calendar of Events, there are a number of different statuses of dues. The terms used with dues tend to be confusing. Ideally, all dues are turned in on time and are competitive for the Early Bird Award!

Active clubs are clubs that have paid their dues. This is the ideal status for your Key Club!

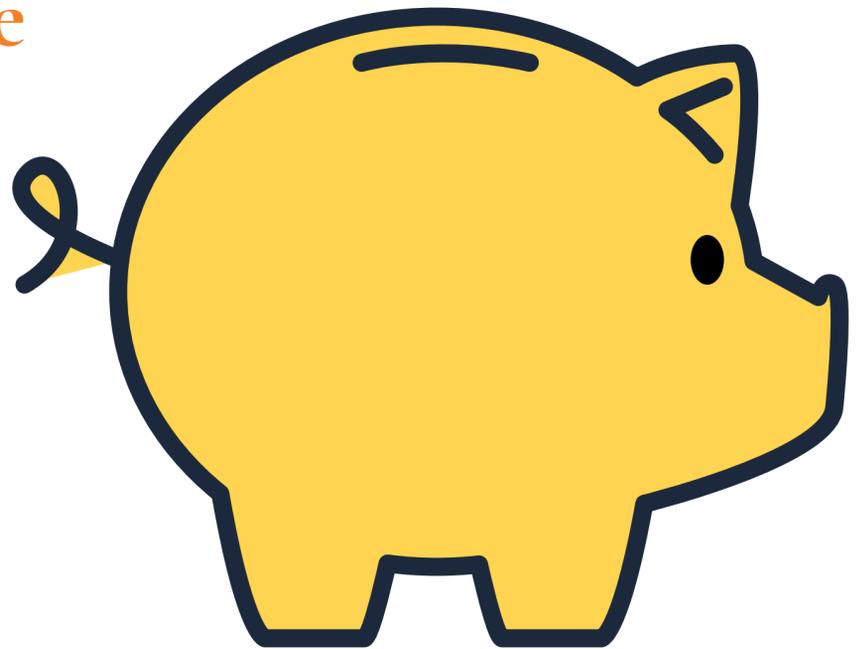

Delinquent clubs are clubs that have not paid dues by December 1st.

Suspended clubs are clubs that have not paid dues by February 1st.

Inactive clubs are clubs that have not paid dues by September 30th

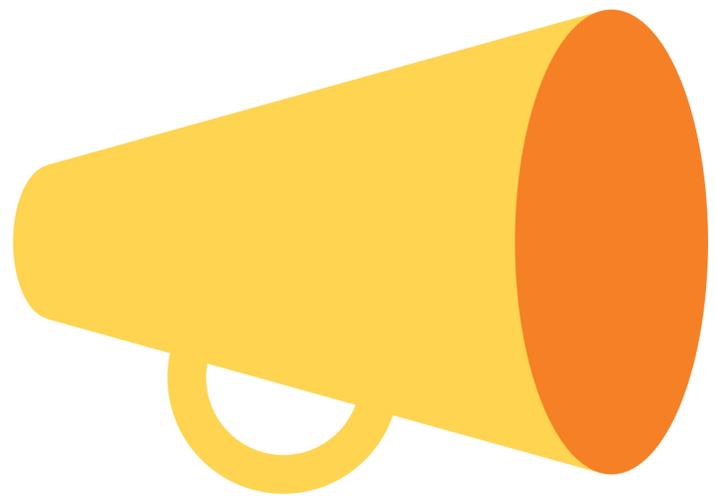

(two years without paying). To regain active status, a reactivation fee must be paid.

Paying dues is essential for Key Clubs to take advantage of the many opportunities Key Club offers. In future editions, our Treasurer will be providing updates on District Dues and providing important reminders to ensure your club's success!

Are You Hearing Us?

Considering you are reading the K-T Key, I am confident you have already been added to your respective LtG mailing list and been receiving their monthly newsletters. Please ensure that your LtG has received the club contact information of the officers and advisors of your club. If not, please get into contact with your LtG as soon as possible!

As discussed on the previous page, LtG's serve as the liaison between your club and the district. Therefore, it is pertinent that they have your contact information! The current circumstances have inevitably made communication challenging, but it is crucial that you receive information pertaining to your division!

****Just to ensure you have not missed out on any information, you can locate division newsletters on the website under "District Resources"**

The COVID-19 pandemic has forced the entire world to adapt. New protocols have been put into place to facilitate the slowing of the virus which has contributed to the cancellation of many events -- including Key Club Events. The K-T District made the difficult decision to cancel the 2020 District Convention to avoid such a large gathering of people. Consequently, the 2019-2020 District Board never had an opportunity to be wished a true farewell and the 2020-2021 Board never had a chance to meet Key Clubbers in person. Similarly, the Key Club 2020 International Convention was cancelled weeks later. K-T hopes you and your family stay safe for the duration of quarantine so we can reconvene for this promising year of service!

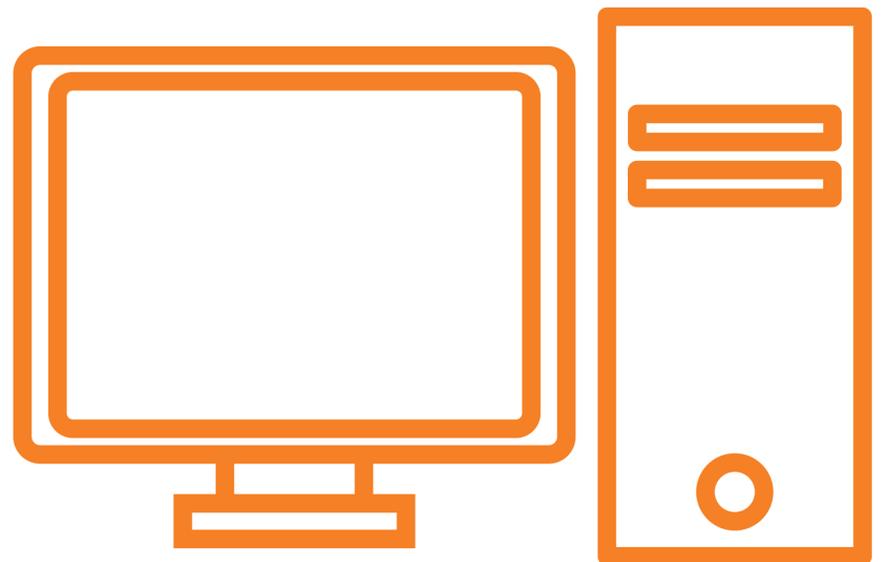

**Although these circumstances are less than desirable, our Key Club District has already shown signs of fortitude.

DCON Recap

Although DCON was cancelled, the K-T District persevered in carrying out important Key Club matters. While our District missed out on an excellent speaker, engaging workshops, riveting caucusing, and a weekend full of laughter, K-T was still able to conduct a final meeting for the 2019-2020 board and elect the new District Executive Officers. Last year's board had their final roll call and were also the voting population for the District Officer Candidates.

Candidates gave their speeches from the comfort of their own homes via zoom and answered a series of

questions to ensure their competency. After hearing the candidates, last year's board carefully voted for the new District Governor, Secretary, and Treasurer. Rejoining us from last year's board, we are honored to have Lexi Evans, Jayde Snyder, and Aiden Hamade lead us as our Executive Officers through this upcoming year of service!

We hope that all Key Clubbers will be able to join us for an in-person Convention March 29-31, 2021 in Gatlinburg, TN!

Spring Board

Despite the difficulties provided by COVID-19, the newly elected District Board made history with the first virtual Spring Board meeting in K-T History! The board seamlessly transitioned into their new positions, discussed pertinent matters for the K-T District, and had the chance to interact and have fun with one another for the first time! Key Club has adapted to these challenging circumstances and continued to thrive!

NOTE ON SPRING BOARD

"As a first year board member, I'd say that my experience has definitely been unique. This is mainly due to the current pandemic, which has seemingly altered every board member's term. Obviously, all of us are in a difficult situation, given that the next few months are so uncertain. As a Lieutenant Governor, I have the additional responsibility of looking out for my Division, which has also been tough. My clubs are going through the same ordeal, which has made assisting and communicating with them a bit harder. With that being said, since I have no prior experience on the board, these situations haven't exactly been easy to manage. I sometimes find myself facing questions that our second-year board members could find immediate solutions to. Bonding with my team has also been different. Spring Board was particularly distinctive, because it was the first to ever be held online. It was as authentic as it could've been, and I actually enjoyed it! Even though we were stuck behind screens, I still had a great experience. But unfortunately, I missed out on meeting everyone in person and spending those few days learning with them. Our members who've already been on the board have pre-established bonds with the other second-year board members. As first-years, we haven't had the same luxury.

Yet, somehow, despite these obstacles, our board has thrived. Well, I question how, but the answer is clear. I am a part of a board full of determined, intelligent, driven individuals. We are led by a Governor who, even when faced by these unprecedented circumstances, devotes herself to maintaining a hard-working and close-knit board. We have a Secretary, Treasurer, Historian, and Bulletin Editor who will always ensure that our work is the best it can possibly be. But most of all, the K-T District is made of the best clubs and members I could possibly ask for, driven by compassion, charity, and all around goodwill. I am beyond proud of everyone who has been willing to serve, even during these times. Our leaders and our members have shown an exceptional perseverance, and I couldn't be more thankful. Because of these contributions, our board has been able to bond, thrive, and maintain an amazing District. So, I am truly grateful for my term thus far. Even with the uncertainty, I'm sure that it will continue to be wonderful."

Anna Ryan
Kentucky-Tennessee
Division 15 LtG
anna@ktkey.org

DISTRICT MEET & GREET

Once again, K-T has been making history this year mere months into it! The K-T District held a District Meet and Greet on May 30 where Key Clubbers from across Kentucky-Tennessee got to interact with one another, have a proper introduction to the District Board, and test their Key Club knowledge with a Kahoot!

As a District Board member, I am grateful for the enthusiasm and participation we saw with this event despite the less than desirable circumstances. The entire Board can attest to how excited they were to see everyone's faces! Thank you to everyone that was able to participate.

Virtual Club Elections

With the sudden breakout of COVID-19, a multitude of Key Clubs were left without holding club officer elections. To help combat the circumstances, many Key Clubs have held virtual elections. Although not an ideal method of electing leaders, virtual elections have allowed K-T to continue its success despite the breakout of the Coronavirus. Several District Board members have had the privilege of attending such elections to offer assistance, guidance, and -- most importantly -- a new, friendly face. Key Club remains as connective as ever!

"Despite COVID-19 preventing clubs from meeting in person, Fulton High School Key Club has still found a way to stay connected. Their president, Tarik Ahmed, and advisor, Keith Leonard, have scheduled virtual meetings on Zoom in order to appoint positions, celebrate their seniors, and even start planning for the upcoming year. They have shown great strength and plan to continue these meetings throughout the summer. This club is a true example of how to persevere despite great challenges."

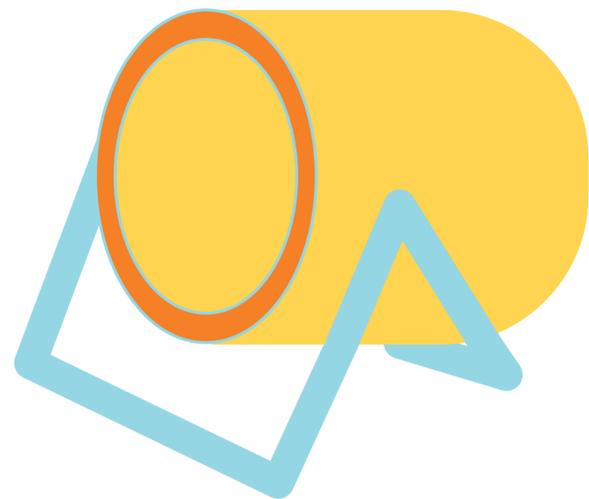

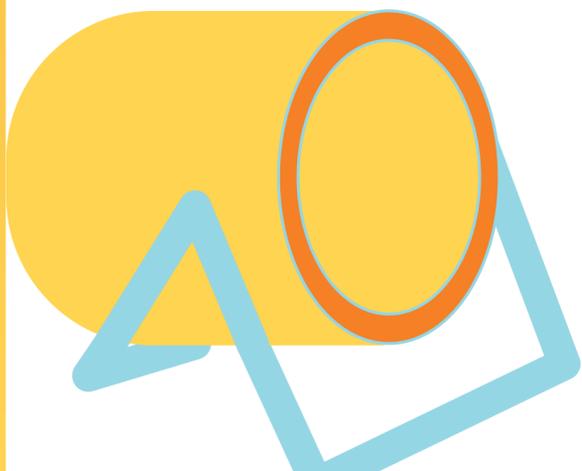

Autumn Manning
 Kentucky-Tennessee
 Division 5A LtG
autumn@ktkey.org

Does your Key Club want to be featured on a publication such as the K-T Key? Now is your chance! It is now easier than ever to have your club's projects and success put on display. With the K-T Showcase, your Key Club can easily submit a description of a service project your club has completed during the 2019-2020 year of service and have your hard work both recognized and used to inspire others!

To submit a project, head to the K-T Website at ktkey.org. Under "Club Resources," locate "Showcase Your Club." Here, you will provide some personal information, details about your project, and your division.

K-T looks forward to your submissions! We are beyond excited to learn about the many unique ways K-T is serving their local communities and changing the world for the better!

While COVID-19 may have many Key Clubbers stuck in their homes, there are still many ways your club can continue serving your community!

- ☆ Helping out with Key Club preferred charities (refer to next page)
- ☆ Writing appreciation cards
- ☆ Host a virtual can drive to donate to local food banks
- ☆ Providing meals to struggling families in your area
- ☆. Virtual fundraising and awareness days for projects
- ☆ Community beautification
- ☆ Online tutoring program
- ☆ COVID-19 awareness and information
- ☆ Sewing medical masks for donations
- ☆ Shop online at Dollar Days (a Kiwanis International partner) to buy basic supplies for schools supported by the club
- ☆ Collect and send old sneakers to Soles4Souls, a charity that will find someone who needs them
- ☆ Contact your local chapter of the Red Cross and ask them if your club may participate in their “Holiday for Heroes” program

****Contact LtG's for Division projects, and make sure that you conduct any service projects *safely!***

PREFERRED CHARITIES

The Ronald McDonald House is our District Project. This Charity collects donations to provide hospitality to families with hospitalized children. Your LtG should be providing contact information to a local RMH and items they are currently in need of.

rmhc.org

Ronald McDonald House Charities®
of the Coastal Empire

UNICEF serves as a humanitarian organization aimed at saving children's lives all across the globe. Using the motto "Putting Children First," UNICEF provides healthcare, immunizations, sanitation, drinking water, nutrition, education, emergency relief, and more to children in need.

unicefusa.org

The Thirst Project aims to provide clean drinking water to everyone in the world by 2022. Providing clean water spells for lowered disease rates and lowered child mortality rates, making it a vital project to carry out!

thirstproject.org.

Reach out to your LtG for more information on these projects and charities!

PREFERRED CHARITIES

Children's Miracle Network raises funds and awareness for children's hospitals, medical research, and current children's health issues.

childrensmiraclenetworkhospitals.org

**Children's
Miracle Network**

The March of Dimes strives to ensure the best quality of life for newborn babies and their mothers. It strives to combat premature births and unaffordable maternal care.
marchofdimes.org

K-T encourages all of you to incorporate these charities into your repertoire of service projects. Again, be sure to stay in contact with your LtG! There may be a Division project geared towards one of these charities that your club can participate in! The advantages of these preferred charities are the large numbers of Key Clubbers we can have engaged on a singular cause, amplifying the progress that can be accomplished!

"District Projects are important because, as an entire district, we have the ability to make a huge impact on important organizations that need our help.

The Ronald McDonald House is a great organization that helps attend to kids while family members are in the hospital and they don't need an extra stressor. Whether it be donating or raising money for something on their local wishlist or just heading to your closest one to help serve at it, your impact does not go unheard.

Children's Miracle Network is a larger, but just as important, organization that focuses on helping children with medical needs. Without the network, many kids may never receive vital treatments for serious conditions. Donations and fundraising can be key to supporting this organization, and your impact leaps boundaries.

Most importantly, so many amazing local organizations exist. They may be harder to find because they are smaller, but that doesn't make them less important. Getting out to ask them for service needs is a great first step in making a difference where ever you are living."

Nate Nelson
Kentucky-Tennessee
District Historian
nate@ktkey.org

Eliminate Week

I am sure many of you already know about Eliminate Week from the series of videos that proliferated social media of high schoolers willingly biting into lemon slices and cringing at how sour it is. Although this challenge was exciting -- and very entertaining -- there is much more to Eliminate Week than eating lemons!

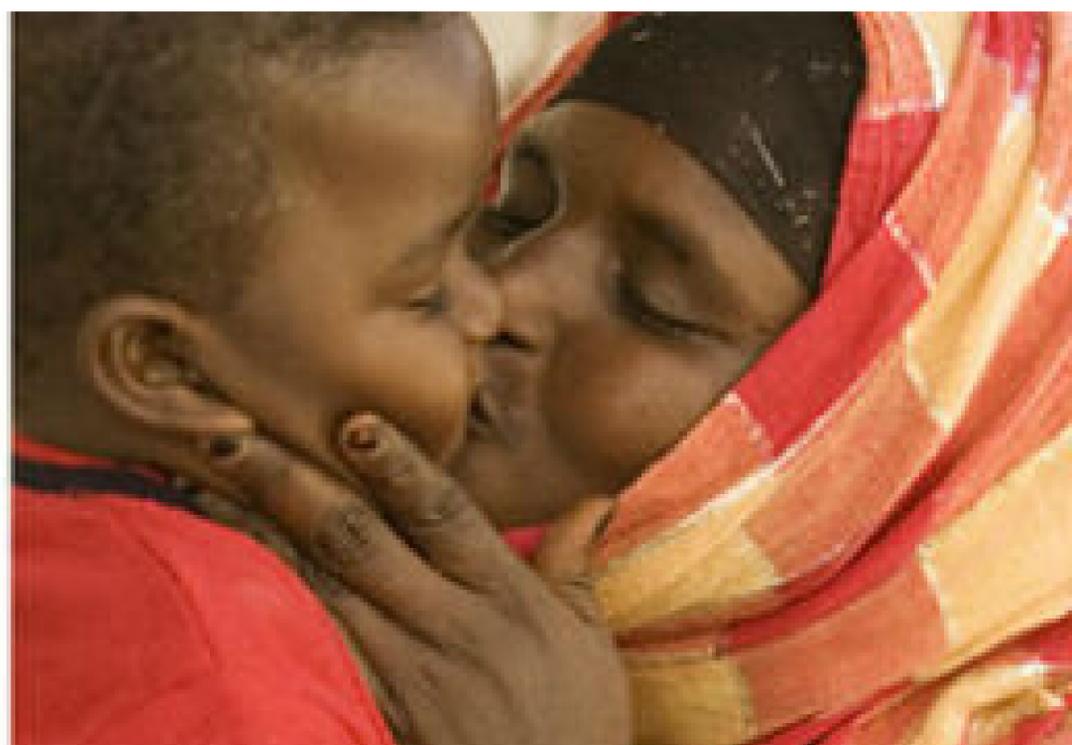

Eliminate Week is a week designated to raise awareness for The Eliminate Project. This project strives to eliminate Maternal and Neonatal Tetanus, a deadly disease that has already claimed 31,00 infants in the last year. Thus, Key Club International and UNICEF (United Nations International Children's Emergency Fund) partnered together in tackling this project and hope to "Eliminate" the disease!

I hope that many of you had the chance to participate and play your part in such an inspiring project. Raising awareness is just one element of this ongoing project. I encourage all of you to participate next year!

ELIMINATE
maternal/neonatal tetanus

 **Kiwanis** |  **unicef**

"My name is Cameron Anthony. I am the Lieutenant Governor of Division 5b. I would like to share my experience with Eliminate Week and how you can help stop maternal and neonatal tetanus. Since 2010, Key Club members have teamed up with Kiwanis International and UNICEF in hopes to eliminate MNT. This year, Key Club International is projecting to raise \$700,000 for The Eliminate Project. During Eliminate Week, Key Club members across the World were challenged to take a video of themselves eating part of a lemon, make a donation to the Eliminate Project, and then challenge three other people to do the same. While this is very helpful, it is also a fun way to show support!"

Cameron Anthony
Kentucky-Tennessee
Division 5B LtG
cameron@ktkey.org

"Landscape Structures (LSI) has joined Kiwanis International as a vision partner to bring play to communities across the globe. LSI is proud to provide high-quality commercial playground equipment and planning consultation services that reflect the high degree of integrity that Kiwanis clubs expect."

playlsi.com

"The U.S. Army empowers tomorrow's leaders by offering advanced schooling for today's top careers. Not only that, programs like the Reserve Officer Training Corps (ROTC) and March2Success.com allow students to go to college debt free and excel in the classroom with helpful academic resources."

goarmy.com

"Nickelodeon currently presents two major campaigns each year that encourage action in kids globally. Worldwide Day of Play reinforces Nickelodeon's mission to make the world a more playful place by leading active, playful events across the country. Nickelodeon's Get Dirty campaign seeks to educate kids, families and teachers about what they can do to help protect the planet in fun, mindful ways."

nickhelps.com

On the topic of service, your Club should consider the KCI Youth Opportunities Fund (YOF), "an endowed fund of the Kiwanis Children's Fund which provides grants to Key Club and Key Club members for scholarships and service opportunities" (keyclub.org). This grant is given directly to clubs/individuals to help finance a project. This is an excellent opportunity for clubs hoping to pursue ambitious projects in their local communities!

Grant amounts range from \$100 to \$2,000. The application opens in early September and closes in mid-October. Your club will receive decisions on their applications in January. If your club receives such grant, it is imperative that your club have dues paid or else the YOF check cannot be issued. There is still months before this grant comes around, but it is in your club's best interest to have it on your mind! Find more info with the clickable link [here](#).

Congratulations to the following K-T Clubs who received the YOF for the 2019-2020 year!

Daniel Boone High School (Div 7) - \$500

Boyd County High School (Div 8) - \$2,000

Bourbon County High School (Div 10) - \$250

Clarksville Academy (Div 15) - \$550

Unaka High School (Div 7) - \$2,000
