July Update

Hello Division 1!

I know under the circumstances everything is a little confusing as we are working around COVID-19, trying to get back into the swing of things. I want to still advise you to be safe! As we know summer will be soon ending and we want to make sure we are ready for the academic year ahead! During this time it is best to stay healthy and continue to persevere by getting out into the community!

To that point, I will be emailing Division 1 regarding all of the upcoming opportunities and a new form of communication! July 13th I will be emailing Division with more details of what is attached with the newsletter!

REMEMBER:

I am always here for anything!! Contact me through email yalexia@ktkey.org or [@ktkeydiv1](https://www.instagram.com/ktkeydiv1) Instagram
