DUES PAYMENT INFORMATION -

Hello, everyone! I'm so excited to be kicking this Key Club year off with all of you! With that in mind, remember that annual dues become payable on October 1st. Key Club International is still working out several issues with that (due to the COVID-19 crisis, there may be changes to how we approach dues this year), but I will keep all of you updated!

Be sure to continue diligently checking your emails, as there will be more important updates to come. Also, remember that you have a chance at the Early Bird award, which goes to a club that submits their dues early on! To receive this, your club must have submitted dues by November 1st. Although, it's always a good idea to send them even earlier!

YOUTH OPPOTUNITIES FUND (YOF) -

The Youth Oppotunity Fund is Key Club's way of assisting its members with the funding that may be necessary for completing service projects. Members can apply and be awarded anywhere from \$100 to \$2,000! This can be extremely beneficial, so I encourage all of you to apply!

Applications have already opened, and they're due by October 15th. The list of recipients will be posted on the third week of January. Please feel free to contact me if you have any questions or concerns!

TRICK OR TREAT FOR UNICEF -

With Halloween approaching, we are also getting closer to one of my favorite service projects! For Trick-or-Treat for UNICEF, clubs are encouraged to participate in Halloween themed fundraisers to benefit the United Nations Children's Fund's cause! The most important of which are the donation boxes that are

sold at store.kiwanis.org under Kiwanis > Events > Project supplies. Your clubs can also host anything from Trunk-or-Treats, pumpkin pie bake-offs, or simply door-to-door fund collections! Let me know if your club plans on participating, and if so, how!

DATES TO REMEMBER -

October 1st - Dues become payable

October 15th - YOF Applications Due

December 1st - Dues become delinquent

February 1st - Unpaid clubs become suspended

SERVICE SPOTLIGHT! -

Rianne Brown from Rossview High hosted her own blood drive last month! The service project had an amazing turnout and many Key Clubbers from our division were able to stop by and donate or volunteer.

We are so proud of Rianne and everyone who participated in and planned this amazing event!

If you are looking to host a service project like this one to help those who are suffering in our communities, feel free to reach out to me! I would love to help anyone who is interested!
