Trick-or-Treat for UNICEF

Key Club has been a proud participant of Trick-or-Treat for UNICEF since 1994.

By collecting donations for UNICEF through the program over the year's, Key Club has raised more than \$7 million to support:

- Iodine deficiency treatment programs worldwide
- HIV and AIDS treatment programs in Kenya and Swaziland
- Teen centers in Uruguay providing adolescents with job skills, family counseling, and other social services

Key Clubs that have participated in Trick-or-Treat for UNICEF during last years campaign will receive a fundraising kit with collection boxes to help you conduct a successful campaign.

If you need additional boxes or did not participate last year, but wish to this year, please call 1-800-KIWANIS (US and Canada), +1-317-217-6213 (worldwide) or email childrensfund@TheEliminateProject.org with questions.

Key Club Week

Key Club Week gives members the opportunity to show that Key Club is a student led service club!

Monday: Show your K! Spread the word about Key Club by wearing Key Club Merch.

Tuesday: Kudos to The Key Players! Thank all the Key Club supporters you know by writing notes, hosting an appreciation meal, or anything else to recognize the Key Clubbers around you.

Wednesday: Dare To Care! Key Club has three preferred charities, UNICEF, March of Dimes, and Children's Miracle Network. Do service projects to help support these causes.

Thursday: Random Acts of Kindness! Spread happiness throughout your school by performing random acts of kindness, like smiling at someone, holding the door, or wishing some a good day.

Friday: Connect the K's! Celebrate the entire family by getting every Kiwanis organization together. Connect with local Kiwanis clubs, Circle K International, Builders Clubs, Or K-Kids and team up for a service project.

Dollywood Fall Rally

I am so sorry to announce that Fall Rally was cancelled this year. It was my first major Key Club event last year and I definitely took it for granted. I was looking forward to it so much this year and my heart broke when I found out it was cancelled. However, I am pleased to announce that we will be having holding Fall Rally via Zoom! There will be a variety of fun activities. Not only that, but you guys will get the chance to hang out with the K-T District Board personally! More information on that will be released in the next couple of days.

Dues Payment

Dues became payable last week, so you can begin paying your dues now. I understand that it might be difficult to do that because of how schools are reopening. Also, the Early Bird Deadline was moved to December 1st. If your club cannot pay dues, you can declare "ACovid Status." Do not, and I can't stress this enough, declare ACovid status unless absolutley necessary. These clubs are forgiven dues this year, but they can't participate in elections, attend district events, apply for scholarships, and most importantly, their members can't say that they were Key Club members for the 2020-21 year. Also, the Early Bird Deadline was moved to December 1st.

District Convention

As we all know, the 2019-2020 District Convention was cancelled due to COVID-19. Another devastating cancellation. We are currently planning next years DCON which is still on. The theme will be released at Fall Rally next Saturday. I do truly hope that we will be able to hold the event. I really would like to meet you all and hangout!

THINGS THAT SCARE ME

In the spirit of Halloween, I decided to make a list of things that scare me!

1. Clowns. I hate clowns with a passion. Can't stand them. 2016 was not the year for me. The whole killer clown thing was just a huge NOPE.
2. Unsolved Crimes. These are kinda cool, but super scary. The cases that have creeped me out the most are Jack the Ripper, Lizzie Borden, The Axe Man, and The Black Dahlia.
3. Humans in general. People do some seriously messed up stuff that's just scary.
4. The Dark Web. WHAT GOES ON OVER THERE?? WHY ARE PEOPLE SELLING ORGANS?! HUH??
