## Key Club Week Recap:

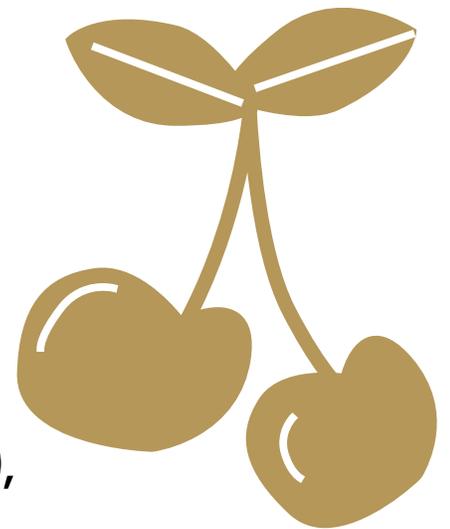

From November 2nd to November 6th, we held our annual Key Club Week! This event allowed Key Clubbers to show their spirit, while having fun and advertising their clubs! If your own club participated, I would love to see pictures for the next newsletter!

## Fall Rally Recap:

On October 17, our District Board held its virtual Fall Rally! Participants had the opportunity to participate in several online workshops and group discussions with other club officers throughout our Kentucky-Tennessee District! Thank you to everyone who attended!

## Dues Reminder/Update:

Remember that dues are now payable! In the past, clubs who submitted by November 1st were eligible to receive the Early Bird Award at DCON, but due to these difficult circumstances under COVID, we have extended this deadline to December 1st. If you win this award, your club can earn prizes such as a \$100 Kiwanis Warehouse club certificate for service project supplies, one hotel room to use at the 2021 Key Club International Convention (which will be held at Disney World this summer), and more surprises!

# Tutor Program:

As you may remember, before this summer I brought up the possibility of hosting Key Club tutor programs throughout several of our clubs! It didn't end up working at the time, because we were nearing the end of the school year. However, now would be the perfect time to host this amazing service project! Individual clubs offering their own tutoring services to students at their school would be a great way to help the many high schoolers who are struggling right now. It's also a wonderful opportunity for Key Clubbers to gain service hours! Let me know if you are interested in starting one at your own club! I would love to assist you in anyway possible!

# Service Spotlight:

Clarksville High School's club was gracious enough to send in photos of their recent service project, where members made blankets for the Ronald McDonald House! If your club has held a service project, or is planning to hold one, please send me photos at [anna@ktkey.org](mailto:anna@ktkey.org) for the opportunity to be mentioned in the newsletter!
