# GOODBYE GUYS!

## ALL GREAT THINGS MUST COME TO AN END :(

Can you all believe its been a whole year?! You all have had to deal with me for a whole 365 days! I commend you all. Here in the coming weeks I will officially be leaving you guys and we will welcome the new LTG. It is bittersweet to leave a position you enjoyed working in. This position, the work that I've done, and the people I've gotten to it with have meant so much to me. I am proud to have been a member of the K-T District Board. I would be lying right through my teeth if I said that it was easy, but I absolutely could not have done it without my friends on the Board as well as the adults. I owe it all to you guys. I can't leave without acknowledging one other person though, my advisor. I literally would not have been in this position if she hadn't pushed me and believed in me. I can't thank her enough. I know Division 6 will continue to do great things with our new LTG and I can't wait to see what she has in store. Well, this is it! I will leave you with one final quote. "We don't make keys, but we do open doors." Bye guys!
