Farewell Newsletter!

I wanted to take this section and thank everyone for making my term so wonderful and memorable! Though it was not in ideal circumstances, I am so thankful for the time I was able to lead this division as Lt. Governor! I am so excited to attend DCON with everyone and start a new Key Club service year! As always, please reach out if you need anything!

DCON NEWS

District Convention is right around the corner and is being held March 19-21, 2021 virtually! You have the opportunity to run for a district office position, or enter in various competitions. This will not be your average zoom meeting, and is going to be loads of fun! You can register now at ktkey.org.

ICON INFORMATION

International Convention is coming up soon and is going to be held July 7-11, 2021 in Walt Disney World in Orlando, Florida! As of right now it is planned to be in person, but we will keep you updated as it grows closer. If you have any questions feel free to reach out to me, but I can't wait to see you all there next summer!

MARCH OF DIMES

March of Dimes is a nonprofit organization that improves the health of babies by preventing birth defects, premature birth and infant mortality. Premature birth is the number-one cause of death in children under age 5. Students across the country are helping to give every baby a fighting chance by spreading awareness, raising critical funds and supporting families affected by premature birth. Visit keyclub.org for ways that Key Clubbers can get involved!
