# FAREWELL

Let me preface this with saying that no words can amount to the feelings I have to Key Club, and Division 12 itself. I must truly say that when I began my term I was a nervous freshman who did not know what to do, or how I was going to be able to lead, but you all persevered with me. This year was challenging for ALL of us in one way or another and we all survived together, we made this Key Club year better than anyone expected due to the circumstances we were in. Division 12 was able to keep its status as the Division with the most members in a single club, even though for all of the year they have been virtual. I want to applaud all of our clubs for persevering this year and making this year fantastic. It has been an honor to serve you, the Division and the District. I will truly miss your emails telling me about your service projects, new ideas, questions, and club development. Thank you all-until next time!

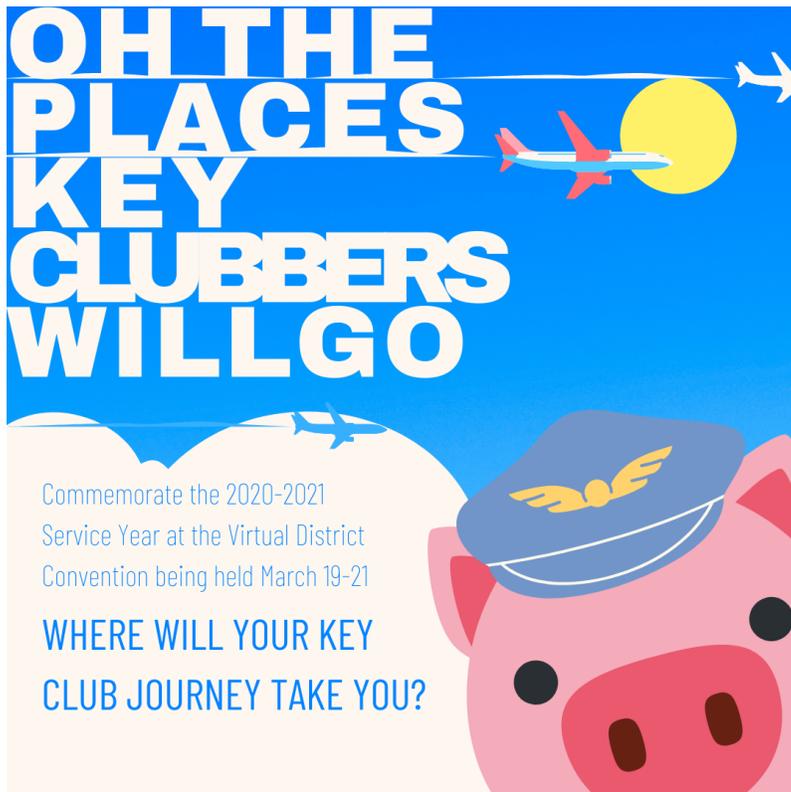

# Officer Elections

Officer Elections are extremely important. Club officers will lead their club for one year. It is suggested to have officer elections in February, however, that is not necessary. But it is best to have them before DCON, as there will be certain workshops for club officers to attend. If you have any questions about officer elections, please do not hesitate to reach out.

# DCON

The time to register for DCON is ticking away! Your District has been creating and crafting a virtual experience like no other! You all have until March the 15th to register, and it is FREE of charge. You can find the registration link on the ktkey website which is [www.ktkey.org](http://www.ktkey.org). If you have any questions about DCON please feel free to email me or DM me @ktkeydiv12

# ICON

As of now, ICON will still be happening. International Convention is a fantastic experience where you will get to meet many amazing people. Stay tuned for ICON prices and K-T Tour Dates. If you have any questions regarding ICON, feel free to email me.
