## SUCCESSFUL SPRING BOARD

- During the month of April, the Kentucky-Tennessee District Board held the virtual Spring Board Meeting!
- During this time, Lieutenant Governors were trained for the upcoming year.
- Bulletin Editor and Historian were approved.
- The board also discussed their plans and set the goals for the upcoming year.

We are all very excited about this year, and are looking forward to working together as a family!

## Club Contacts

Newsletters are a great way to update everyone in the division about the latest happenings within the division. So in order for our year to be as efficient as possible, I need to be able to contact everyone. I would like to get updated club officer's contact information as soon as possible from club advisors to ensure that I can keep everyone up to date on important Key Club events and projects!
