Meet Your New LTG

Hello Division 15! I am Vivian Ma, your new LTG! I am 16 years old and a current sophomore at Rossvie High School. I have been in Key

Club since I was a freshman. I am also a part of my school's speech and debate team, math team, and a member of my local library's teen advisory board. Something I am looking forward to this year is getting to meet all of you, hopefully in person, and working to make our community a better place!

DISTRICT CONVENTION RECAP

The 2021 DCON was the first ever virtual DCON, and it was a great success! I had a fantastic time getting to participate in different activities and meeting the board members. At the convention, we elected our new District Governor, Dalton Adams, who I am sure will lead us through a great year!

Also, congratulations to Rianne Brown from Rossvie High School for being elected the most outstanding Key Clubber in our division!

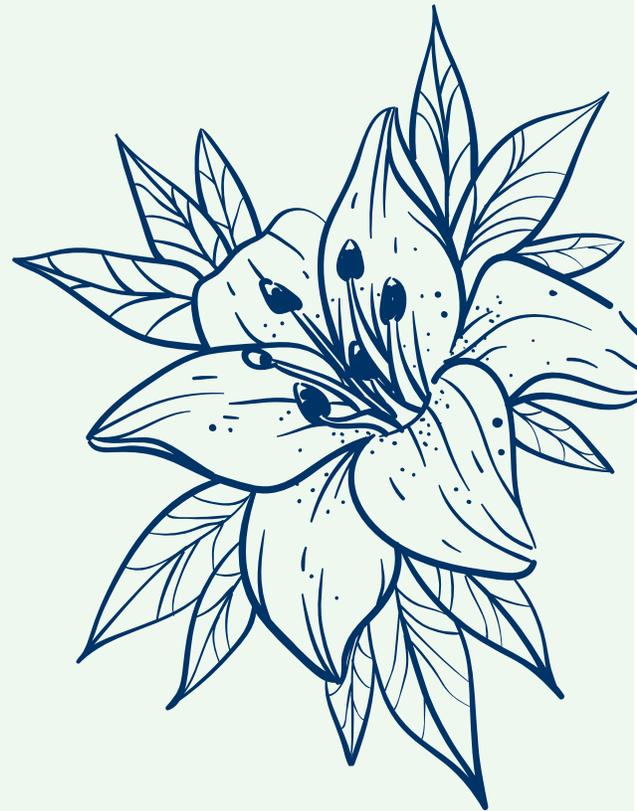

New and old board members gathered together at DCON round table

SUCCESSFUL SPRING BOARD

Key Club's KT-District recently held their spring board meeting, which is a meeting for the board members to get to know one another and prepare for the year ahead. It was great for me to meet the lieutenant governors from other divisions, and we set up some great goals for the new year!

CLUB CONTACTS

Having club contacts with which I can contact you is key for operations to run smoothly this year. In order for me to distribute information to all of you, please send me an email with your new Key Club officers and their email addresses. This way, you will receive the latest updates and information. If you haven't held officer elections yet, you can do so in person or through zoom. Please contact me if you need assistance!

DIVISIONAL COUNCIL MEETING

I will be holding a Divisional Council Meeting on **Sunday, May 30th**, so mark the date on your calendar! This meeting is a way for me to get to know you and your club, as well as a chance for you to meet me. I highly encourage your attendance, as this is a great way to get involved and prepare for the next school year. More information will be distributed, so stay on the look out, and don't forget to send in your new officers' information, so they can join too!
