District Convention Recap

Sadly due to the COVID-19 pandemic, District Convention had to be held on a virtual platform. even though this was my first year participating in key club district events as a clubber and as an LTG. I loved meeting all of the other district members and adults, and meeting all types of new people. Getting to know people that I will be working with was a memory I truly enjoyed.

Spring board was truly a success.

Every district adult and board members Many board members discussed and voted on goals for the upcoming year. Seeing everybody discussing with one another was just big things going done.

Club Contacts

In my position as LTG, communication is a key element in order for me to exceed in my position. I plan on contacting and building a relationship with local clubs and board members. I plan on building relationships with new people everywhere and with constant communication we can make everything possible.

Feel free to email me with your updated contact information so I can keep everyone updated with my newsletters. If your club hasn't elected new club officers, elections can still be held in person or virtually. If you have any questions please feel free to contact me.
