# District Convention Recap

---

Due to Covid, District Convention was held virtually this year. Besides not seeing my fellow Lt. Govs in person, the rest of the convention was very cool. We were able to meet on a platform that allowed people to visit different rooms and chat.

The whole experience was very creative!!

DICON awards: Franklin County HS for scrapbook award and digital poster award along with Henry Clay HS for being the most outstanding club in our division. Congratulations!!!!

## Successful Spring Board

---

The K-T District held our Spring Board virtually this year. It was a long weekend, but it really helped me understand my job better and it also gave us an opportunity to get to know each other better and become more comfortable around one another. It was a very eventful weekend all around.

## Club Contacts

---

I am going to make this newsletter a way for you to keep up with the events that are coming up, and if you have any questions about anything, email me! I want to try and get everyone's contact so I can keep in touch with all of the club officers. So if you could please email me with your information I will be able to add you to my mailing list and keep you in the loop.

Besides communication, if you have not held club elections please do as soon as possible; it is really important that you do. If you need any help doing this please do not hesitate to ask.

## Recap

---

Just to recap what was said in this newsletter because I know I mentioned a lot of things in this.

- Please email me your contact so I can have the contact of the officers at each division in school.
- If you have not already please hold officer elections for your club; this is very important to get done.
- Lastly I am very excited to meet all of you soon and get to work with all of you.
