Introduction

Hello everyone! My name is Om Patel and I am the Historian for the Kentucky-Tennessee District Key Club. I am 17 years old and I attend high school at Clarksville Academy. I have been a part of Key Club since I was a Freshman but this is my first year holding a position at the District Level. I am very excited to work with everyone this year and hope to see each other in-person sometime soon!

Division Lieutenant Position open!

There currently is a position open for District 2 Lieutenant Governor. If you want to help your community and the key clubs in your division achieve their service goals, then consider applying for the LTG position. It is a great opportunity to meet new people, make lasting connections, and help others around you. If you are interested, please email me at om@ktkey.org and the Governor dalton@ktkey.org

Successful Spring Board

Due to Covid-19, the 2021 Spring Board was held virtually over the course of two days. In these two days, we established our year goals and set each other's responsibilities. Even though it was virtual, I still had a blast interacting and getting to know everyone there. Summer Board is right around the corner and will be in person. It will be so much fun getting to see everyone in person!

Club Contacts

Having club contacts is the easiest way to stay effective and efficient. Having club officer's and sponsor's email allows for you to get the latest information sent out in these newsletters or other sources. Please send your contact information or let other officers know to send me their information to om@ktkey.org.

The school year is quickly coming to an end. With that, it is important to hold officer elections for the 2021-2022 school year if they have not been held yet. This allows new officers to quickly get in touch with current officers so they are prepared for the new Key Club school year.

International Convention

Unfortunately due to Covid-19, the International Convention was cancelled by Key Club International in order to keep everyone safe. However, there will be a Summer Leadership Conference during the same time. more details will be released in the coming months, stay tuned! The 2022 ICON is expected to take place in Washington D.C. I encourage as many to attend as possible. If you have any questions, feel free to ask me at any time.

Potential Summer Activities

Holding activities throughout summer is a great way to keep members active. It can also attract new members as these activities can show others that Key Club is providing help but in fun and inclusive ways. Who doesn't like new members?
