I would really appreciate all the advisors and presidents for each key club to email me so we can be in contact! If you have not had an election for your executive board for the 2021 - 2022 school year, that is okay! Your school can hold elections before this school year is over, during the summer, or at the beginning of the upcoming school year. I am always available for questions and eager to help!

## Key Club International Leadership Conference

I hope that everyone is excited for ICON! It will be an exciting event that will surely satisfy you. ICON is from the 7th-11th of July, and I can't wait to see everyone!

## Summer Activities

Clubs, please try to instate your executive board soon. It is completely fine if you do this during the summer, or even at the beginning of the school year, but please send me the contact information on everyone in the board.

Although this has been a rough year, summer is coming and I hope that everyone is happy and healthy, and willing to serve their community!

**Please do not hesitate to ask me for assistance, I am always happy to help!**

Spread kindness and help those around you this summer!
